Think and Grow Rich - Napoleon Hill -
The most famous of all teachers of success spent "a fortune and the better part of a lifetime of effort" to produce the "Law of Success" philosophy that forms the basis of his books and that is so powerfully summarized and explained for the general public in this book. In Think and Grow Rich, Hill draws on stories of Andrew Carnegie, Thomas Edison, Henry Ford, and other millionaires of his generation to illustrate his principles. This book will teach you the secrets that could bring you a fortune. It will show you not only what to do but how to do it. Once you learn and apply the simple, basic techniques revealed here, you will have mastered the

secret of true and lasting success. Money and material things are essential for freedom of body and mind, but there are some who will feel that the greatest of all riches can be evaluated only in terms of lasting friendships, loving family relationships, understanding between business associates, and introspective harmony which brings one true peace of mind! All who read, understand, and apply this philosophy will be better prepared to attract and enjoy these spiritual values.

A self-made woman with a sweet, successful life discovers that even the best-laid plans are no match for unexpected passion in this brand-new series from award-winning author Laura Moore. As the responsible daughter of an irresponsible socialite,

Dakota Hale has plenty of practice catering to the whims of the rich and spoiled—and she's turned that experience into a thriving concierge business serving the needs of the Hamptons' wealthy elite. But anytime the drama on land gets too outrageous, Dakota finds calm surfing the Atlantic waves. But when sexy mogul Max Carr hires her, it rocks her balance in a big way. Max works hard, but he's never had to put any effort into winning over a woman—until now. With her stunning beauty and keen intelligence, Dakota is worth the effort. But it's plain she has no interest in a casual fling, and that's all Max, with his grief-stricken heart, can offer. But one fraught night changes everything, with consequences neither Dakota nor Max anticipated. Now they must navigate the rough waters of society
