Beginning students often find it very difficult to plan their homework, structure them, and write them correctly. Likewise, many graduating students face serious methodological problems in writing their final papers, theses, and internship reports. This methodological guide aims to meet the expectations of students and fill these various gaps. It presents in a substantial way the rules that apply to the writing of essays, scientific assignments, final papers, theses, and internship reports. It also presents the rules relating to the evaluation of theses, internship reports, and their defense.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and

much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.
