Philosophy literally means "lover of
wisdom". One is not accustomed to
thinking of superheroes such as Batman,
Superman, Spider- Man and the X-Men as
"philosopher kings/queens" but
notwithstanding the popular disdain for
comic book characters and the films
derived or inspired by them, they DO raise

, Matt Morris (eds.) The comic book
narratives of superheroes wrestle with
profound and disturbing issues in original
ways: the definitions of good and evil, the
limits of violence as an effective means,
the perils of enforcing justice outside the
law, the metaphysics of personal identity,
and the definition of humanity.
