In the 40-years since its debut, Swamp Thing has been graced with some of the best writers in comics from Len Wein to Alan Moore and now, as part of the DC Comics-The New 52, 'American Vampire' scribe Scott Snyder brings his talents to an all new Swamp Thing series set in the DC Universe. Following the events of 'Brightest Day,' Alec Holland has his life back...but the "Green" has plans for it. A monstrous evil is rising in the desert, and it'll take a monster of another kind to defend life as we know it! This hardcover collection includes issues 1-7 of the monthly series.

Swamp Thing returns in a new series that stars Levi Kamei as the next Guardian of the Green! Unable to control his transformation into the monstrous Swamp Thing, Levi is thrust into the harsh, unforgiving mystery of grisly murders committed by a supernatural desert legend. Levi must revisit past events in his homeland of India and face the deadly reality of a ravenous new villain in order to comprehend what he is truly, and horrifyingly, becoming. A new era of global action and horror blossoms here, and Swamp Thing will be at the root of it! Collects Future State: Swamp Thing #1-2 and Swamp Thing #1-4.

Haunted by his time as the Swamp Thing, Alec Holland tries to return to his former life, but the "Green," knowing that The Rot, a death force threatening life on Earth, is coming, tries to convince Alec to become the Swamp Thing again and save the world.

Alec Holland is back as the Swamp Thing, fully formed as the protector of The Green. Immediately upon his return, he must-battle his way through the Bone Kingdom and The Rot to free his ally - and ex-girlfriend - Abigail Arcane. But will the cost of-freeing her be...fighting her? Nothing, not even this titanic battle, will prepare Swampy for what he has to face next--a resurrected and even more dangerous Anton Arcane! BATMAN writer Scott Snyder and artist Yanick Paquette bring you one of the New 52's breakthrough titles with the classic DC-mainstay, Swamp Thing!

One of DC's most compelling characters is reborn for a new era in this collection of game-changing Swamp Thing stories, headlined by comic book superstars Scott Snyder and Yanick Paquette Swamp Thing has long been one of DC's most compelling characters, a stoic and tragic defender of the natural world, who starred in the revolutionary Saga of the Swamp Thing series written by Alan Moore. In 2011, as part of DC's New 52 initiative that gave fresh starts to the company's biggest characters, writer Scott Snyder and artist Yanick Paquette brought new creative energy to Swamp Thing, reinventing the character for the current age. Since the dawn of time, the planet's safety has depended on maintaining a balance of three great powers: the Green, the force that unites all plant life; the Red, the force that unites all animal life; and the Rot, the force of death. Each generation, the Green selects an avatar to serve as its protector--the Swamp Thing. But Dr. Alec Holland, the Green's newest champion, is no longer interested in the role. The Rot's own avatar is growing stronger, and servants of decay gain more territory every day. If Alec doesn't return to his duties soon, there might not be any Green left to protect. This volume collects Swamp Thing #1-40, #0, Swamp Thing Annual #1-3, Swamp Thing: Futures End #1, Swamp Thing featuring Arcane #231, Animal Man #12, #17, and Aquaman #31.

The #1 New York Times bestselling author Maggie Stiefvater (The Raven Cycle series) and artist Morgan Beem unearth the primal power of memory and how it twists the bond between two brothers. Twins Alec and Walker Holland have a reputation around town. One is quiet and the other is the life of any party, but they are inseparable. For their last summer before college, the two leave the city to live with their rural cousins, where they find that the swamp holds far darker depths than they could have imagined. While Walker carves their names into the new social scene, Alec recedes into a summer school laboratory, because he brought something from home on their trip—it ' s an experiment that will soon consume him. This season, both brothers must confront truths, ancient and familial, and as their lives diverge, tensions increase and dormant memories claw to the surface. Swamp Thing: Twin Branches is a story of shadows, both literal and imagined—and those that take form and haunt us.

Word has gotten out about the existence of Swamp Thing—and now tourists are swarming the swamp looking for a glimpse of the bigfoot of the bayou. The sudden popularity only accelerates Sunderland Corporation ' s plans to destroy him, but Swamp Thing finds help from an unexpected quarter...whether he wants it or not.

Before WATCHMEN, Alan Moore made his debut in the U.S. comic book industry with the revitalization of the horror comic book THE SWAMP THING. His deconstruction of the classic monster stretched the creative boundaries of the medium and became one ofthe most spectacular series in comic book history. With modern-day issues explored against a backdrop of horror, SWAMP THING's stories became commentaries on environmental, political and social issues, unflinching in their relevance. SAGA OF THESWAMP THING Book One collects issues #20-27 of this seminal series including the never-before-reprinted SAGA OF THE SWAMP THING #20, where Moore takes over as writer and concludes the previous storyline. Book One begins with the story 'The AnatomyLesson,' a haunting origin story that reshapes SWAMP THING mythology with terrifying revelations that begin a journey of discovery and adventure that will take him across the stars and beyond.

Before the groundbreaking graphic novel Watchmen, Alan Moore made his debut in the U.S. comic book market with the revitalization of the horror comic book Swamp Thing. Moore's classic, critically acclaimed Swamp Thing stories are now collected with brand-new coloring in Absolute Swamp Thing by Alan Moore Vol. 1. In 1983, a revolutionary English writer joined a trio of trailblazing American artists to revitalize a longstanding comic book icon. By the time they'd finished their work four years later, SWAMP THING by Alan Moore, Stephen R. Bissette, John Totleben, and Rick Veitch was universally recognized as one of the handful of titles that defined a new era of complexity and depth in modern graphic storytelling, and their run on the series remains one of the medium's most enduring masterpieces. Now DC Comics and Vertigo are proud to present an all-new vision of this landmark achievement. Comprising three deluxe hardcover volumes, ABSOLUTE SWAMP THING BY ALAN MOORE debuts completely new coloring for every page, crafted exclusively for this definitive collector's edition by legendary color artist Steve Oliff (Akira, Miracleman). This first volume includes the issues THE SAGA OF THE SWAMP THING #20-34 and SWAMP THING ANNUAL #2 and features a monumental new afterword from Bissette accompanied by a wealth of historic behind-the-scenes material from the title's original creative team.

He has become a modern legend, this mysterious creature of the Louisiana bayou. Feared as a monster, hailed as a god, by turns wonderfully benevolent and pitiless in his wrath, the Swamp Thing has carved his unique niche in the American Landscape. Writer Len Wein and legendary horror artist Bernie Wrightson, the original creators of the most complex creature in comics, brought the 'Swamp Thing' to life in an 8-page story from House of secrets #92. Now that classic story, plus the first ten issues of SWAMP THING Volume One, are reprinted in a new edition of Swamp thing - Dark genesis. In 'Dark genesis', learn the astonishing secret of Swamp Thing's "birth"; share the forbidden passions of Anton Arcane and the measureless sorrow of the Patchwork Man; shiver to the timeless horror of the witch named Rebecca Ravenwind and of a tortured Scottish werewolf. These eleven stories are not merely acknowledged classics of the comics field; they are an incredible reading experience, and the ideal introduction to the many-faceted creature known as Swamp Thing.
