It is particularly suited to children aged 5–11 years but can easily be adapted for older children.

Diese Einführung in die Besonderheiten des bilingualen Unterrichts präsentiert das Sachfach Politik und Wirtschaft. Im Kontinuum von fachlicher Instruktion und Sprachentwicklung findet sich eine Vielfalt von Textsorten, Projekten und authentischen Aufgaben (task-based). Die praxisorientierten Unterrichtseinheiten sind nach unterschiedlichen sprachlichen Anforderungen gestaffelt und auf die Kompetenzskalen A2 bis C1 des Gemeinsamen Europäischen Referenzrahmens für Sprachen bezogen. Sie sind für den bilingualen Zweig in Mittelschulen und Gymnasien geeignet, aber auch für einzelne Jahrgangsstufen verwendbar. Sie können für die eigene Unterrichtspraxis adaptiert werden, mit dem Ziel durch eigene Recherchen authentische CLIL-Aufgaben weiterzuentwickeln.

Offers a practical guide to written, spoken, artistic, and kinesthetic summarization techniques for individual assignments and group activities.

Learn the mechanics that take your game from an idea to a playable product. Do you aspire to be a game designer but aren't sure where to begin? Tabletop Game Design for Video Game Designers guides you through your initial attempts to design game mechanics. It goes beyond simple description and definition to explore in detail the issues that designers grapple with for every game they create. Learning to design tabletop games builds a solid foundation for game designers and provides methods that can be applied towards creating paper prototypes of computer-targeted games. Presented in a step-by-step format, Tabletop Game Design for Video Game Designers helps the reader understand how the game design skills that are acquired through creating tabletop games can be used when designing video games. Fully playable games accompany every topic so you can truly understand and experience each component that goes into game creation. Tabletop Game Design for Video Game Designers includes: Simple, highly focused games that can be played, analyzed, improved, and/or modified in conjunction with a particular topic in the book. Integrated game design exercises, chapter learning objectives, and in-text sidebars to provide further examples to apply directly to your game creation process. A companion website (www.funmines.com) which includes: "print & play" tabletop games, links to online games, game design resources, and articles about designing and developing games.

When you’re next in a school with a great lesson for grade 11 planned and you discover that grade 11 are on a school trip but the grade two teacher is absent and the head teacher says "It's OK, you can teach this class", then smile, breathe, step into the class with confidence, because yes, you can teach this class. This book contains 194 inspirational teaching activities for teaching English and other subjects. It is a valuable resource for volunteers, teachers, teaching assistants and trainers. All of the income from the sale of this book goes to VESL who are a UK-based, grant-giving education charity working in Sri Lanka, India and Thailand.

Classroom Boredom Busters is a blast of activities and creative ideas that will shatter tedium and inject excitement into ho-hum lessons that often cause students to complain that school is boring. This unique collection of strategies is the wake-up siren that many students need to get excited about learning and to motivate them to participate in the classroom. Activities in this book are designed to appeal to students while offering teachers a variety of detours to deadly dull test reviews, tricky note-taking sessions, awkward class discussions, and many other common classroom potholes. This book is organized into eight parts, each complete with a menu of original ideas that evolved from the author’s experience in the classroom at the elementary, middle, and high-school levels. Busy teachers will appreciate the convenience of pulling this collection off the shelf and turning to activities that require little or no planning and no elaborate school supplies. All ideas have been teacher-tested with real students from fourth grade through high school and across subject areas. Benefit from the imagination and expertise of author Donna Malone, who has won many awards—including 2011 Georgia Master Teacher, Henry County System-wide Teacher of the Year, Atlanta Journal-Constitution Honor Teacher—and has been a speaker at numerous educator conferences. Ready to energize your students? Pick up Classroom Boredom Busters and reinvent your classroom today!
