This book details how I taught my son to read at 21 months through PLAY. At the age of three, he was able to read on a 3rd grade level. The goal is to help you expose your child to words and reading in a fun way. This book will take you through a step by step process of how I taught my son to read. It gives you games/activities to do with your child along the way to make reading a process that is fun, natural, and interesting! It will help spark your child's curiosity in wanting to seek meaning from words which is essentially reading. This is a great read for parents and teachers of children ages 0-7.

According to the American Academy of Pediatrics, children introduced to reading early on tend to excel in school compared to children who are not exposed to language and books at a young age. While the building blocks of literacy begin at infancy, a child as young as 3 years old has the ability to read basic words and short sentences. According to the National Institute for Literacy, researchers have found strong evidence that children can learn reading and writing in their earliest years, long before they go to school. Is your child interested in learning his or her ABCs? Does your child play with books and interact with you and the story while being read to? The most important factor in determining whether your child is ready to learn to read is his or her enthusiasm for learning. If your child has begun to express an interest in reading, this book will provide you with the tools for teaching him or her the basics of phonics and promoting a love for reading -- one of the best gifts a parent can offer a child. How to Teach Your Preschooler to Read In 30 Days addresses some basic questions you might have about the benefits of reading as a preschooler, the keys for teaching a child to read, and the tools and supplies you need to create an effective classroom in your home. This book provides lesson plans for a four-week instruction program. You will begin by introducing a set of preliminary sounds and letters and incorporating these letters into games. Once your child has mastered these words, you can teach him or her more complex sounds and words, and your child will begin to construct simple sentences. This book includes short stories you can use to continue your child's reading instruction after completing the four-week program. Games, visual cues, and role-playing -- the main means of learning for children ages 3 to 5 -- provide an entertaining environment in which your child can perform his or her best. This book also addresses how babysitters and other caregivers can help teach your child to read and shows you how to create a reading record book so caregivers can provide you with proper feedback on the progress your child made while you were away. This book also addresses how to speak with teachers about your child's reading abilities upon entering school to ensure he or she continues learning. We spent hundreds of hours interviewing early childhood development educators and parents who shared their tips and advice for not only teaching your child how to read, but also instilling a lifelong love of words in their hearts. In a world where a college degree is becoming the new high school diploma, make sure your child is keeping up with the times by establishing his or her literacy at an early age with this helpful book.

Discusses learning disabilities, shares case studies of how children overcame those disabilities, and suggests teaching methods for dyslexic children in kindergarten through third grade

Learning to read at a young age is important for the development of the child. It helps them develop a better understand of their surroundings, allows them to gather information from printed materials, and provides them with a wonderful source of entertainment when they read stories and rhymes. Children develop at different rates, and some children will develop reading skills quicker than other children; however, what's important is that as the parent, you are keenly aware of your child's maturity and reading level to provide them with appropriate books and activities to help them improve. As parents, you are the most important teacher for your children. You will introduce your child to books and reading. Below we have some tips to help you teach your child to read. This book contains teach child how to read teach a child how to read teach children how to read teach kids how to read teach your child how to read teach my child how to read teach a kid how to read how do you teach children to read teach how to read for kids how do you teach your child to read how to teach your children to read how to teach your kids to read how to teach a kid how to read how to teach a kid how to read how to teach children to read and write how to teach kids to read and write how to teach young children to read how to teach a child to read english how to teach your child to read and write how to teach children to read english how to teach kids to read english tips on how to teach a child to read
