Teaching English by Design: How to Create and Carry Out ...

Teaching English by Design is a good book about designing units from back to front with the end results, i.e. the instructional goals for the students in mind. In this book, Smagorinsky advocates taking this type of planning even farther, extending it through the semesters and the whole school year, advocating the use of overarching themes and concepts that will guide the curriculum.

Teaching English by Design: How to Create and Carry Out ...

Teaching English by Design is practical, providing examples of units and support for how to create them. As a 50 year 7-12 English educator and university chair of English education, I found this book indispensable for current and future English teachers. Dr Jim Nichols, Nyack NY College. Read more.
