A term paper is an academic assignment, which is supposed to be written during a term and is responsible for at least 20% of the mark the student finally gets. In a term paper the student researches at length some subject (event, notion, point of view), related to the work done within the academic term. Generally, it is several typed pages, organized in conformity with strict format, which is of no less concern for the one who writes it, than the paper's actual contents.
