Scholars of adolescent behavior and authors of "Family and Peer Influences on Adolescent Behavior and Risk-Taking," Nancy Gonzales and Kenneth Dodge, note that while much of adolescent development happens outside the home, the culture of the family instills upon children their developmental roots.

How Cultural Differences Influence Adolescent Development ...

Culture is the shared symbolic systems, and processes of maintaining and transforming those systems. Youth culture differs from the culture of older generations. An emphasis on clothes, popular music, sports, vocabulary, and dating set adolescents apart from other age groups, giving them what many believe is a distinct culture of their own.
