FX2 (also known as FX2: The Deadly Art of Illusion) is a 1991 American action thriller film directed by Richard Franklin and starring Bryan Brown and Brian Dennehy. It is a sequel to the 1986 film FX. This was Franklin's final American film before he returned to his native Australia.

FX2 - Wikipedia

The Art of Illusion: The Design of Film Set Construction. Set design is a major part of any film production. Movie sets can range from a few small bedrooms on a soundstage to an 800ft boat floating in a 17 million gallon tank of water. And no matter what it is that's being constructed, it is the job of a handful of skilled craftspeople to make it look beautiful and realistic.

The Art of Illusion: The Design of Film Set Construction...

The Art of Illusion: Film production is a highly creative and collaborative industry, full of multi-skilled artists and craftsmen. The fast-moving pace of technology makes it hard to keep abreast of current practices in production design. However, the ethos and skills behind filmmaking remain the same.

Television Production 1 - Free Course by Florida...

We decided to call it The Art of Illusion: Production Design for Film & Television because illusion is what making a film or a television programme is all about ! what the audience sees on the screen isn't altogether real! Like all good things, this project was started over a glass of wine.
