2016 Reprint of 1945 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. "Ascent of Mount Carmel" is a 16th-century spiritual treatise by Spanish Catholic mystic and poet Saint John of the Cross. The book is a systematic treatment of the ascetical life in pursuit of mystical union with Christ, giving advice and reporting on his own experience. It is regarded as some of the greatest works both in Christian mysticism and in the Spanish language. Written between 1578 and 1579 in Granada, Spain, after his escape from prison, the Ascent is illustrated by a diagram of the process outlined in the text of the Soul's progress to the summit of the metaphorical Mount Carmel where God is encountered. The work is divided into three sections and is set out as a commentary on four poetic stanzas by John on the subject of the Dark Night. John shows how the Soul sets out to leave all worldly ties and appetites behind to achieve "nothing less than transformation in God."

The famed 16th-century Spanish mystic's incomparable guide to spiritual life illuminates the path through confusion and despair that leads to union with God. This acclaimed translation of St. John's intensely poetic work offers a primer to his *Dark Night of the Soul*, which is also available in a definitive Dover edition.

This work presents an outline of Christian perfection from the point at which the soul first seeks to rise from the earth and soar upward towards union with God. As a poet St John of the Cross was able, in the realm of mysticism, to push the frontiers of human xpression beyond any other writer.

I remained, lost in oblivion; My face I reclined on the Beloved. All ceased and I abandoned myself, Leaving my cares forgotten among the lilies." Thus writes 16th century Spanish poet and mystic, St. John of the Cross. In this, his third work, the author reflects on the nature of a personal union with Christ, found in the abandonment of self.

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Saint John of the Cross is one of Christianity's greatest poets and mystics. Nevertheless, his subject matter and writing style, coupled with his use of Scholastic terminology, can make his prose difficult to understand and intimidating. Readers of *The Ascent of Mount Carmel*: Reflections will thank Father Marc Foley for making John's thought accessible and refreshingly contemporary. The author shares with contemporary spiritual seekers his seasoned wisdom, gleaned from years of reading and teaching John of the Cross. He deftly weaves together insights from psychology, theology, and literature to make *The Ascent of Mount Carmel* both understandable and relevant to daily life.

*Ascent of Mount Carmel* is a 16th-century spiritual treatise by Spanish Catholic mystic and poet Saint John of the Cross. The book is a systematic treatment of the ascetical life in pursuit of mystical union with Christ, giving advice and reporting on his own experience.

Susan Muto brings her considerable knowledge and skill to bear on this 16th century masterpiece. Her readable interpretation and commentary opens up John's spiritual wisdom in a relevant and timely manner for today's readers. Her presentation provides two outstanding features: she adopts the formative -- contrasted with informative -- approach to spiritual reading. And she offers an excellent rationale for bringing John's message to those seeking an authentic spiritual life.
