rights organization Amnesty International.

Until now, the true story of John Lennon's childhood has never been told. John's sister Julia has herself been on a personal journey that has made it possible only now to reveal the full extent of the pain and difficulties - as well as the happier times - living inside John Lennon's family brought. Julia reveals the various strong, self-willed and selfish women who surrounded John as he grew up. John was removed from his mother at the age of 5 to live with his Aunt Mimi, and here Julia shows for the

Online Library The Beatles Imagines

first time the cruelty of this decision - to both mother and son, she sheds a new light on his upbringing with Mimi which is often at dramatic odds with the accepted tale. John's frequent visits to his mother and sisters gave him the liveliness, freedom and love he sought and allowed him to develop his musical talents. The tragic death of their mother, knocked down outside Aunt Mimi's house by a speeding car when John was 17, meant that life for him and his sisters would never be the same again. Poignant, raw and beautifully written, IMAGINE THIS casts John Lennon's life in a new light

Online Library The Beatles Imagines

and reveals the source of his emotional fragility and musical genius. It is also one family's extraordinary story of how it dealt with fame and tragedy beyond all imagining.

Winner of the 2020 Baillie Gifford Prize for Non-Fiction A distinctive portrait of the Fab Four by one of the sharpest and wittiest writers of our time "If you want to know what it was like to live those extraordinary Beatles years in real time, read this book." -Alan Johnson, The Spectator Though fifty years have passed since the breakup of the Beatles, the

Online Library The Beatles Imagines

fab four continue to occupy an utterly unique place in popular culture. Their influence extends far beyond music and into realms as diverse as fashion and fine art, sexual politics and religion. When they appeared on The Ed Sullivan Show in 1964, fresh off the plane from England, they provoked an epidemic of hoarse-throated fandom that continues to this day. Who better, then, to capture the Beatles phenomenon than Craig Brown—the inimitable author of *Ninety-Nine Glimpses of Princess Margaret* and master chronicler of the foibles and foppishness of British

Online Library The Beatles Imagines

high society? This wide-ranging portrait of the four lads from Liverpool rivals the unique spectacle of the band itself by delving into a vast catalog of heretofore unexamined lore. When actress Eleanor Bron touched down at Heathrow with the Beatles, she thought that a flock of starlings had alighted on the roof of the terminal—only to discover that the birds were in fact young women screaming at the top of their lungs. One journalist, mistaken for Paul McCartney as he trailed the band in his car, found himself nearly crushed to death as fans climbed atop the vehicle and pressed

Online Library The Beatles Imagines

their bodies against the windshield. Or what about the Baptist preacher who claimed that the Beatles synchronized their songs with the rhythm of an infant's heartbeat so as to induce a hypnotic state in listeners? And just how many people have employed the services of a Canadian dentist who bought John Lennon's tooth at auction, extracted its DNA, and now offers paternity tests to those hoping to sue his estate? 150 Glimpses of the Beatles is, above all, a distinctively kaleidoscopic examination of the Beatles' effect on the world around them and the world they

Online Library The Beatles Imagines

helped bring into being. Part anthropology and part memoir, and enriched by the recollections of everyone from Tom Hanks to Bruce Springsteen, this book is a humorous, elegiac, and at times madcap take on the Beatles' role in the making of the sixties and of music as we know it.

The next novel from author Bryce Zabel, whose debut, *Surrounded by Enemies: What if Kennedy Survived Dallas?* won the coveted Sidewise Award for Alternate History. "We know The Beatles let it be, but what if they worked it out instead? This book gives

Online Library The Beatles Imagines

life to every fan's fantasy. It's a great new adventure full of twists and turns that never were, but might have been." –Chris Carter, host, Breakfast with the Beatles & Chris Carter's British Invasion (Sirius/XM Radio) We all know the tragic story by now. After seven years as the most popular rock-and-roll group the world has ever seen, The Beatles—torn apart by personal and creative differences—called it quits in 1970, never to play together again. The fact that their contemporaries like the Rolling Stones are still playing today makes their ending even more

Online Library The Beatles Imagines

painful. Once There Was a Way: What if The Beatles Stayed Together? is a story of another reality, the one we wished had happened, where the Fab Four chose to work it out rather than let it be. This book is no mere fairy tale, but a chronicle crafted from the people and events of our own history, shaped to create a brand new narrative in which John, Paul, George, and Ringo find a way to stay friends and keep the band together. Imagine there was more. Lots more. It's easy if you try. "Hold on to your hats, folks. You're in for quite a ride." —Harry Turtledove, alternative history author,

How Few Remain, on
Surrounded by Enemies

Originally published in 1970, "Grapefruit" remains one of the icons of a generation, with a mixture of poetic verse, drawings, mock questionnaires, and more. Line drawings.

As soon as The Beatles became famous, the spin machine began to construct a myth--one that has continued to this day. But the truth is much more interesting, much more exciting, and much more moving. In this bestselling book, Bob Spitz has written the biography for which Beatles fans have

Online Library The Beatles Imagines

long waited. 32 pages of b/w photos.

Since The Beatles dissolved in 1970 fans have clamored for more, but what if there was less, and the band never existed? Or worse, what if they left us with only half, shocking our world and skipping their creative and visionary second act? Here, Charlie Bermant creates an alternate world where The Beatles met with a fatal accident at mid-career. Told in a series of speculative news articles it imagines a what would have happened if the best group in the world disappeared and had left others to fill the void.

Online Library The Beatles Imagines

Hundreds of books have been written about The Beatles. Over the last half century, their story has been mythologized and de-mythologized and presented by biographers and journalists as history. Yet many of these works do not strictly qualify as history and the story of how the Beatles' mythology continues to be told has been largely ignored. This book examines the band's historiography, exploring the four major narratives that have developed over time: The semi-whitewashed "Fab Four" account, the acrimonious breakup-era Lennon Remembers

Online Library The Beatles Imagines

version, the biased "Shout!" narrative in the wake of John Lennon's murder, and the current Mark Lewisohn orthodoxy. Drawing on the most influential primary and secondary sources, Beatles history is analyzed using historical methods.

With three generations of one family we share moments that are meant to be savored in this special book that beautifully illustrates the words John Lennon and Paul McCartney's world-renowned song "In My Life." There are places I'll remember, in my life, though some have changed... One gift with a bright bow starts a young

Online Library The Beatles Imagines

girl on a path...one her mother follows with her as she explores, grows, and rides off on her own, only to return again with her own daughter in tow. This hauntingly beautiful book shares the small moments of that journey that are meant to be remembered and savored in the lyrics of this classic song.

Anna Todd (#1 internationally bestselling author of the After series) headlines this unique anthology of "imagines"—the first book of its kind—stories from Wattpad writers that immerse you in a fantasy world of fame,
