Eddi Reader - Barbican. Why this gig? Because Eddi Reader is one of the loveliest people working in the music industry. Because "Perfect" is still one of the best songs for getting me into that summer mood. Because I saw her at the Union Chapel a couple of years ago and it was a great show. Support. Support came from Kris Drever & Éamonn Coyne - a pair of singer/songwriters from ...

The first Bedford title ever published, The Bedford Reader continues to make its mark. This popular composition reader combines timeless readings with the leading voices of our time. It takes a practical and flexible approach to the rhetorical methods, focusing on their uses in varied writing situations. The unique "Writers on Writing" feature connects reflections from professional writers with point-of-need advice for student writers, and the Kennedys' proven approach to instruction helps students connect critical reading to academic writing. The new edition has been thoroughly revised with engaging new readings by diverse writers, a stronger foundation in reading and writing, and new graphic organizers to visually outline how to use each method.

The first Bedford title ever published, *The Brief Bedford Reader* continues to make its mark. One of the most popular composition readers on the market, it combines timeless readings with the leading voices of our time. It takes a practical and flexible approach to the rhetorical methods, focusing on their uses in varied writing situations. The unique "Writers on Writing" feature connects reflections from professional writers with point-of-need advice for student writers, and the Kennedys' proven approach to instruction helps students connect critical reading to academic writing. The fourteenth edition has been thoroughly revised with engaging new readings by remarkable and diverse writers, a stronger foundation in reading and writing, and new graphic organizers to visually outline how to use each method.

Alive with the inimitable Kennedy wit, wisdom, and grace, this is a reader that students truly enjoy reading. Since its first edition, *The Brief Bedford Reader* has been distinguished by its well-chosen selections and lively instruction in reading and writing, demonstrating how methods of development help writers achieve their purposes. The eighth edition retains the trademark features -- such as writer's commentaries, an anthology of classic essays that combine the methods, and student casebooks on using the methods in practical situations -- that have made its predecessors a consistent favorite of both instructors and students. The eighth edition introduces an exciting new visual dimension by exploring the rhetoric of the visual -- how images reflect the methods, and how writers use them to respond to images.

From memes to resumes, fairy tales to researched arguments, in a striking full-color visual design, *The Bedford Book of Genres* invites students to unpack how genres work in order to experiment with their own compositions. After capturing the imagination of instructors and students in its successful first edition, the second edition incorporates extensive reviewer feedback to better teach students the rhetorical analysis skills they need to read and compose in any situation. To start the text, the Guide now includes a new Part One that lays out the book's key concepts--rhetorical situation, the elements of a genre, and multimodal composing--and a substantially revised Part Two with examples arranged by academic, workplace, and public contexts. Throughout the text, Guided Readings provide opportunities to analyze the rhetorical situations and conventions of common public and academic genres, while Guided Process sections follow the decisions that five real students made as they worked in multiple genres and media. With a range of readings from short visual arguments to longer, more complex pieces, the Reader gives students a wealth of sources, models, and inspiration for their own compositions. Now available with Launchpad for *The Bedford Book of Genres*, the second edition offers a compelling digital option with a complete, interactive, assignable e-book.

This ebook has been updated to provide you with the latest guidance on documenting sources in MLA style and follows the guidelines set forth in the *MLA Handbook*, 9th edition (April 2021). Combining a step-by-step rhetoric, a fresh thematic reader, a detailed research manual, and a helpful handbook for grammar and usage, *The Bedford Guide for College Writers* brings together everything students need for first-year writing. Based on feedback from our advisory board, this edition of the Guide has been streamlined to strengthen its focus on academic writing. Expanded support for planning a writing project and carefully evaluating online sources enables students to write and research confidently. Engaging new professional and student essays provide relevant models of writing from sources--the kinds of assignments students will face throughout their years in college. The book's hallmark checklists help students move through every stage of the writing process, and Learning by Doing activities provide continuous opportunities for active learning.

Many document readers offer lots of sources, but only *Going to the Source* combines a rich selection of primary sources with in-depth instructions for how to use each type of source. Mirroring the chronology of the U.S. history survey, each chapter familiarizes students with a single type of source while focusing on an intriguing historical episode such as the Cherokee Removal or the 1894 Pullman Strike. Students practice working with a diverse range of source types including photographs, diaries, oral histories, speeches, advertisements, political cartoons, and more. A capstone chapter in each volume prompts students to synthesize information on a single topic from a variety of source types. The wide range of topics and sources across 28 chapters provides students with all they need to become fully engaged with America's history.

Sustainability explores questions around the central concept of sustainability: What are its foundations and politics? How do crises challenge sustainability? How is sustainability connected to local and transnational environments? How is sustainability connected to tourism and recreation? Readings by a range of ecologists, urban planners, philosophers, geographers, reporters, artists, and ordinary citizens take up these questions and more. Questions and assignments for each selection provide a range of activities for students. The website for the Spotlight Series offers comprehensive instructor support with sample syllabi and additional teaching resources. The Bedford Spotlight Reader Series is an exciting line of single-theme readers, each reflecting Bedford's trademark care and quality. An editorial board of a dozen compositionists at schools with courses focusing on specific themes assists in the development of the series. Each reader collects thoughtfully chosen selections sufficient for an entire writing course--about 35 pieces--to allow instructors to provide carefully developed, high-quality instruction at an affordable price. Bedford Spotlight Readers are designed to help students from all majors make sustained inquiries from multiple perspectives, opening up topics such as money, food, border crossings, music, humor, subcultures, happiness, monsters, sustainability, and gender to critical analysis. The readers are flexibly arranged in thematic chapters, with each chapter focusing in depth on a different facet of the central topic. The website for the Spotlight Series offers comprehensive instructor support with sample syllabi and additional teaching resources.
