A year had passed since Ben Holiday bought the Magic Kingdom from the wizard Meeks, who had set a series of pitfalls against him. Ben survived, by the aid of three loyal friends: Questor Thews, and ill-trained wizard; Abernathy, a talking dog, the Court Scribe; and the lovely Willow, who sometimes had to be a tree. Bu ben had been troubled by dreams of disaster to his former partner, Miles Bennett. Yet when he returned to Earth, Ben found Miles doing splendidly. Unknown to Ben, the dreams had been a trap by Meeks, who had returned to the Magic Kingdom as a tiny insect hidden in Ben's clothing. That first night back in Landover, Ben awoke to see Meeks gloating over him. claiming to have the medallion that could summon the mysterious knight-protector, the Paladin, and that he had cast a spell to witch appearances with Ben. Ben found himself

Outcast, no longer recognized by any friend, though all his powerful enemies seemed to know him. Without the medallion, he couldn't seek the help of the Paladin against Meeks. There was only the prism cat—whatever that might be! And where was Willow—and the mysterious black unicorn she'd set out to find?

When the wizard Meeks assumes the appearance of Ben Holiday, the real Ben becomes an outcast

A year had passed since Ben Holiday bought the Magic Kingdom from the wizard Meeks, who had set a series of pitfalls against him. Ben survived, by the aid of three loyal friends: Questor Thews, an ill-trained wizard; Abernathy, a talking dog, the Court Scribe; and the lovely Willow, who sometimes had to be a tree. But Ben had been troubled by dreams of disaster to his former partner, Miles Bennett. Yet when he returned to Earth, Ben found Miles doing splendidly. Unknown to Ben, the dreams had been a trap by Meeks, who had returned to the Magic Kingdom as a tiny insect hidden in Ben's clothing. That first night back in Landover, Ben awoke to see Meeks gloating over him, claiming to have the medallion that could summon the mysterious knight-protector, the Paladin, and that he had cast a spell to switch appearances with Ben. Ben found himself outcast, no longer recognized by any friend, though all his powerful enemies seemed to know him. Without the medallion, he couldn't seek the help of the Paladin against Meeks. There was only the prism cat--whatever that might be! And where was Willow--and the mysterious black unicorn she'd set out to find?

Here in his first non-Shannara novel, Terry Brooks has written a gripping story of mystery, magic, and adventure—sure to delight fantasy readers everywhere. Landover was a genuine magic kingdom, with fairy folk and wizardry, just as the advertisement has promised. But after he purchased it, Ben Holiday learned that there were a few details the ad had failed to mention. The kingdom was in

Ruin. The Barons refused to recognize a king, and the peasants were without hope. A dragon was laying waste the countryside, while an evil witch plotted to destroy everything. Ben's only followers were the incompetent Court Magician; Abernathy, the talking dog who served as Court Scribe; and the lovely Willow—but she had a habit of putting down roots in the moonlight and turning into a tree. The Paladin, legendary champion of the Kings of Landover, seemed to be only a myth and an empty suit of armor. To put the final touch on the whole affair, Ben soon learned that the Iron Mark, terrible lord of the demons, had challenged all prospective Kings of Landover to duel to the death—a duel which no human could hope to win. The task of proving his right to be King seemed hopeless. But Ben Holiday was stubborn. . . .

The continuing adventures of Ben Holiday and his efforts to become a true king and save Landover from evil and decay.

Book Three of the Magic Kingdom of Landover Series It all began when the half-able wizard Questor Thews announced that finally he could restore the Court Scribe Abernathy to human form. It was his spell that had turned Abernathy into a Wheaten Terrier—though with hands and able to talk. All went well—until the wizard breathed the magic dust of his spell and suddenly sneezed. Then, where Abernathy had stood, there was only a bottle containing a particularly evil imp. It had been in the collection of Michael Ard Rhi, former King of Landover, now exiled to Earth. Abernathy must now be a part of that collection! High Lord Ben Holiday set forth for Earth, taking his green but beautiful love, Willow, with him. Unfortunately, they were long in returning. And without the soil in which to root as a tree at times, Willow could not long survive. That left it up to Questor Thews to save them. Grimly he set out to seek help, knowing himself to be incompetent. And to make things worse, the imp had escaped and sought the help of the

evil witch Nightshade, now back from exile in Faerie. Questor's only idea seemed impossible, but . . .

Capture the fantasy, thrills, and far-flung adventure of the first three novels in Terry Brooks' s enchanting Magic Kingdom of Landover series—now for the first time in one gripping volume. Chicago lawyer Ben Holiday can' t fathom what lies ahead when he purchases Landover—a magical kingdom of chivalry and sorcery—from Meeks, the mysterious seller who placed the ad. Weary and jaded, Ben clings to the ad' s promise: “ Escape into your dreams. ” But Landover is not the enchanted idyll he expected. The kingdom is in ruin. The barons refuse to recognize Ben as King, a dragon is decimating the countryside, and a demon lord has challenged any prospective ruler to a fatal duel. To make matters worse, the Paladin, renowned champion of the Kings of Landover, seems to be merely a legend. Ben' s only allies are a bumbling court magician, a talking dog turned court scribe, and the beautiful Willow, who is part girl, part tree. With his friends in tow, Ben sets out to claim the throne. But when Meeks decides he wants Landover back, Ben will face supernatural foes of every stripe to prove himself worthy of the kingship. The question is: Can he survive?

When the wizard Meeks assumes the appearance of Ben Holiday, the real Ben becomes an outcast

An acorn falls far from the tree Former Chicago lawyer Ben Holiday was very proud and quite happy. And why shouldn' t he be? The Magic Kingdom which he ruled as High Lord was finally at peace. He was free to lie back and watch as his new daughter grew. And grow she did—by leaps and bounds, shooting through infancy in a matter of months. She took her first steps and learned to swim in the same week. An amalgam of magic and heredity, Mistaya was born a seedling, nourished by soils from Landover,

Earth, and the fairy mists, come into being in the dank, misty deadness of the Deep Fell. She was as lovely as her mother, the sylph Willow, with dazzling green eyes that cut to the soul. Ben wished he could enjoy his daughter's childhood and his happy kingdom forever. Alas, those idyllic days were not to last. For Rydall, king of lands beyond the fairy mist, rode up to the gates of Sterling Silver and shattered peace of Landover. His armies were poised on the border, ready to invade unless Ben accepted a challenge: Rydall would send seven champions to face Ben, each in a different form. If Ben triumphed over all seven, Rydall would then abandon his claims to the kingdom. Some counseled the High Lord to refuse Rydall's challenge, but Holiday could not, for Mistaya had been snatched from her guardians by foul magic. And Rydall held the key to her fate. . . .

A first entry in the popular series in more than a decade finds headstrong 15-year-old Mistaya kicked out of her prestigious boarding school and assigned by Ben to reopen the kingdom's abandoned library, a task she avoids before discovering a magical plot against Landover. Reprint.
