thrall. The characters in this Regency-set historical are strongly written, from the leads through the third-tier characters.

While written in the traditional mold, these characters and this story are anything but stale and stereotypical. The author's talent brings everything to vivid life.

Captive : All About Romance

To date, every Indian romance I've tried merely feeds into old stereotypes about savages. This book at least raises questions about prejudice and cultural differences, but provides no real answers as to how the couple can live in an extremely prejudiced society. If anyone
