What is a Case Interview? A case interview is a hypothetical business situation that is presented during an interview process to determine how a candidate thinks about a particular problem and how they would solve it.. The key point to understand about a case interview and the case interview process is that it is designed to simulate life on the job as a management consultant.

*What is a Case Interview?*

A case study interview is a miniature simulation of a typical client engagement, centred on a business problem that a client

# Read Online The Case Interview 20 Days To Ace The Case Your Day By Day Prep

has likely contended with. The interview is usually conducted in a single session lasting 20-30 minutes, though sometimes it can be considerably longer.
