At the center of winter, in Motley, Minnesota, Arnold Schiller gives in to the oppressive season that reigns outside and also to his own inner demons -- he commits suicide, leaving a devastated family in his wake. Claire Schiller, wife and mother, takes shelter from the emotional storm with her husband's parents but must ultimately emerge from her grief and help her two young children to recover. Esau, her oldest, is haunted by the same darkness that plagued his father. At twelve years old, he has already been in and out of state psychiatric hospitals, and now, with the help of his mother and sister, he must overcome the forces that drive him deep into himself. But as the youngest, perhaps it is Katie who carries the heaviest burden. A precocious six-year-old who desperately wants to help her mother hold the family together, she will have to come to terms with the memory of her father, who was at once loving and cruel. Narrated alternately by Claire, Katie, and Esau, this powerful and passionate novel explores the ways in which both children and adults experience tragic events, discover solace and hope in one another, and survive. The Center of Winter finds humor in unlikely places and evokes the north -- its people and landscape -- with warmth, sensitivity, and insight. The story

of three people who, against all odds, find their way out of the center of winter, Marya Hornbacher's debut novel will leave you breathless, tearful, and ultimately inspired.

This novel, by the author of *Wasted*, deals with love, obsession and powerful women.

In the aftermath of her husband's devastating suicide, Claire Schiller moves with their two young children into the home of her in-laws during an oppressive Minnesota winter and shares unexpected moments of comfort, healing, and humor. A first novel.

In the vein of *An Unquiet Mind* comes a storm of a memoir that will take you deep inside bipolar disorder and change everything you know. When Marya Hornbacher published her first book, *Wasted: A Memoir of Anorexia and Bulimia*, she did not yet have the piece of shattering knowledge that would finally make sense of the chaos of her life. At age twenty-four, Hornbacher was diagnosed with Type I rapid-cycle bipolar, the most severe form of bipolar disorder. In *Madness*, in her trademark wry and utterly self-revealing voice, Hornbacher tells her new story. Through scenes of astonishing visceral and emotional power, she takes us inside her own desperate attempts to counteract violently careening mood swings by self-starvation, substance abuse, numbing sex, and self-mutilation. How Hornbacher fights her way up from a madness that all but destroys her, and what it is like to live in a difficult and sometimes beautiful life and marriage—where bipolar always beckons—is at the center of this brave and heart-stopping memoir. *Madness* delivers the revelation that Hornbacher is not alone: millions of people in America today are struggling with a variety of disorders that may

disguise their bipolar disease. And Hornbacher's fiercely self-aware portrait of her own bipolar as early as age four will powerfully change, too, the current debate on whether bipolar in children actually exists. New York Times—Humorous, articulate, and self-aware—A story that is almost impossible to put down. —With the same intimately revelatory and shocking emotional power that marked [Wasted], Hornbacher guides us through her labyrinth of psychological demons. —Elle

Marya Hornbacher, author of the international best-sellers *Madness* and *Wasted*, offers an enlightening examination of the Twelve Steps for those with co-occurring addiction and mental health disorders. Marya Hornbacher, author of the international best sellers *Madness: A Bipolar Life* and *Wasted: A Memoir of Anorexia and Bulimia*, offers an enlightening examination of the Twelve Steps for those with co-occurring addiction and mental health disorders. In this beautifully written recovery handbook, New York Times best-selling author Marya Hornbacher applies the wisdom earned from her struggle with a severe mental illness and addiction to offer an honest and illuminating examination of the Twelve Steps of Alcoholics Anonymous for those with co-occurring addiction and mental health disorders. Relaying her recovery experiences, and those of the people with whom she has shared her journey, Hornbacher guides readers through the maze of special issues that make working each Step a unique challenge for those with co-occurring disorders. She addresses the difficulty that many with a mental illness have with finding support in a recovery program that often discourages talk about emotional problems, and the therapy and medication that they require. At the same time, Hornbacher reveals how the Twelve Steps can offer insights, spiritual sustenance, and

practical guidance to enhance stability for those who truly have to approach sanity and sobriety one day at a time.

Why would a talented young woman enter into a torrid affair with hunger, drugs, sex, and death? Through five lengthy hospital stays, endless therapy, and the loss of family, friends, jobs, and all sense of what it means to be "normal," Marya Hornbacher lovingly embraced her anorexia and bulimia -- until a particularly horrifying bout with the disease in college put the romance of wasting away to rest forever. A vivid, honest, and emotionally wrenching memoir, *Wasted* is the story of one woman's travels to reality's darker side -- and her decision to find her way back on her own terms.

Waiting

NEW YORK TIMES BESTSELLER □ Following their adventures in *The Bear and the Nightingale* and *The Girl in the Tower*, Vasya and Morozko return in this stunning conclusion to the bestselling *Winternight Trilogy*, battling enemies mortal and magical to save both Russias, the seen and the unseen. □ A tale both intimate and epic, featuring a heroine whose harrowing and wondrous journey culminates in an emotionally resonant finale. □ Publishers Weekly (starred review) **NAMED ONE OF PASTE'S BEST FANTASY BOOKS OF THE DECADE** Vasilisa Petrovna is an unforgettable heroine determined to forge her own path. Her gifts and her courage have drawn the attention of Morozko, the winter-king, but it is too soon to know if this connection will prove a blessing or a curse. Now Moscow has been struck by disaster. Its

Read Book The Center Of Winter Marya Hornbacher

people are searching for answers—and for someone to blame. Vasya finds herself alone, beset on all sides. The Grand Prince is in a rage, choosing allies that will lead him on a path to war and ruin. A wicked demon returns, determined to spread chaos. Caught at the center of the conflict is Vasya, who finds the fate of two worlds resting on her shoulders. Her destiny uncertain, Vasya will uncover surprising truths about herself as she desperately tries to save Russia, Morozko, and the magical world she treasures. But she may not be able to save them all. Praise for *The Winter of the Witch* —Katherine Arden’s *Winternight Trilogy* isn’t just good—it’s hug-to-your-chest, straight-to-the-favorites-shelf, reread-immediately good, and each book just gets better. *The Winter of the Witch* plunges us back to fourteenth-century Moscow, where old gods and new vie for the soul of Russia and fate rests on a witch girl’s slender shoulders. Prepare to have your heart ripped out, loaned back to you full of snow and magic, and ripped out some more. —Laini Taylor —Luxuriously detailed yet briskly suspenseful . . . a striking literary fantasy informed by Arden’s deep knowledge. —Kirkus Reviews (starred review)

A beautifully written and riveting look at anorexia from acclaimed author Laurie Halse Anderson. Cassie and Lia are best friends, and united in their quest to be thin. But when Cassie is found dead in a motel room, Lia must question whether she continues to lose weight, or choose life instead.

From the New York Times bestselling author of *Wasted and Madness*, a richly reported dispatch from the frontiers of science and medicine, and from the lives of real people proving that mental illness can be healed
