Implementation of a CMDB must be viewed as the adoption of a system that eventually will become the backbone of operational and strategic decisions. When viewed as a traditional project, the various tactical efforts often quickly hyper-focus on targeted discrete results, losing track of the larger system objectives and goals.

~~Chapter 2 What Is a CMDB? - CMDB Imperative, The: How to ...~~

To optimize CMDB accuracy, you want to automate as much of the population as possible. We call this automated discovery, or auto-discovery. For our purposes, we refer to discovery as the automated population mechanism. Discovery is a wonderful innovation for the CMDB, but alas, many CMDB elements cannot be discovered.
