Vince Luca is just like any other high school guy. His best friend, Alex, is trying to score vicariously through him; his brother is a giant pain; and his father keeps bugging him to get motivated. There is just one thing that really sets him apart for other kids—his father happens to be the head of a powerful crime organization. Needless to say, while Vince's family's connections can be handy for certain things (like when teachers are afraid to give him a bad grade), they can put a serious crimp in his dating life. How is he supposed to explain to a girl what his father does for a living? But when Vince meets a girl who finally seems to be worth the trouble, her family turns out to be the biggest problem of all. Because her father is an FBI agent—the one who wants to put his father away for good.

Follows a group of six kids stranded on a deserted island as they embark on a quest for survival that tests their limits.

Gordon Korman offers another edge-of-your-seat action/adventure in a return to the trilogy format that sold more than 1 million copies of *Island*, *Everest*, and *Dive*. It's every brother's worst fear: As Aiden and his sister Meg are walking home from school one day, a van pulls over and Meg is kidnapped. There's no way for Aiden to stop it from happening. He's the only witness to his sister's disappearance. Why has Meg been kidnapped? Is it for ransom? As a vendetta against Meg and Aiden's parents? Or is there an even bigger conspiracy at work? While Meg fends off her kidnapers and plans an escape, Aiden must team up with the FBI to try to find her--tracking down clues only a brother could recognize.

Ocean's 11 . . . with 11-year-olds, in a super stand-alone heist caper from Gordon Korman! After a mean collector named Swindle cons him out of his most valuable baseball card, Griffin Bing must put together a band of misfits to break into Swindle's compound and recapture the card. There are many things standing in their way -- a menacing guard dog, a high-tech security system, a very secret hiding place, and their inability to drive -- but Griffin and his team are going to get back what's rightfully his . . . even if hijinks ensue. This is Gordon Korman at his crowd-pleasing best, perfect for readers who like to hoot, howl, and heist.
