Early one summer morning, Matthew Bishop kisses his still-sleeping wife Marissa, gets dressed and eases his truck through Milwaukee, bound for the highway. His wife, pregnant with their first child, has asked him to find the antique cradle taken years before by her mother Caroline when she abandoned Marissa, never to contact her daughter again. Soon to be a mother herself, Marissa now dreams of nothing else but bringing her baby home to the cradle she herself slept in. His wife does not know -- does not want to know -- where her mother lives, but Matt has an address for Caroline's sister near by and with any luck, he will be home in time for dinner. Only as Matt tries to track down his wife's

mother, he discovers that Caroline, upon leaving Marissa, has led a life increasingly plagued by impulse and irrationality, a mysterious life that grows more inexplicable with each new lead Matt gains, and door he enters. As hours turn into days and Caroline's trail takes Matt from Wisconsin to Minnesota, Illinois, and beyond in search of the cradle, Matt makes a discovery that will forever change Marissa's life, and faces a decision that will challenge everything he has ever known. Elegant and astonishing, Patrick Somerville tells the story of one man's journey into the heart of marriage, parenthood, and what it means to be a family. Hanson's aimless life has bottomed out after a series of bad decisions, but an unexpected offer from his father draws him home to Wisconsin. There, he finds his family fractured, still reeling from his cousin's mysterious death a decade earlier. Lauren Sheehan abandoned her career in medicine after a series of violent events abroad. Now she's back in the safest place she knows -- the same small Wisconsin town where she and Ben grew up -- hiding from a world that has only brought her heartache. As Lauren cautiously expands her horizons and Ben tries to unravel his family's dark secrets, their paths intersect. Could each be exactly what the other needs? A compelling family drama and a surprising love story, *This Bright River* is the work of a natural storyteller, one whose dark humor and piercing intelligence provide

When the US Navy's new, state-of-the-art missile disappears after its test launch, panic ensues - if it ends up anywhere near civilians, the consequences could be massive. Where has it gone? What has happened? Seemingly unconnected, journalist Carol Dawson is investigating the unusual sightings of whales in Miami, which may or may not be linked to the missing rocket. Armed with Oceanographic research equipment, Carol charts a boat skippered by Nick Williams and Jefferson Troy and heads to the Gulf of Mexico. What they find can barely be explained but could be worth untold riches. While Carol, Nick and Jefferson attempt to uncover the origin of the mysterious artefact they have

From award-winning novelist Patrick Somerville comes this genre-busting novel-in-stories that leaps between small-town suburbs and the outer reaches of outer-space. A cast of outcasts—including the world's angriest mercenary, a sad surrealist, and a messianic alcoholic lawyer—bind together in this surprisingly warm exploration of love and identity in the post-millennial world.

when a husband takes the baby on a highly unusual outing When Veronica Reed wakes up one frigid January morning, two things are "off"-first of all, she has had a good night's sleep, which hasn't happened in months, and second, both her husband and her baby are gone. Grateful for the much-needed rest, Veronica doesn't, at first, seriously question her husband's trip out to breakfast with baby Clara. Little does she know, her spouse has fled lower Manhattan, with Clara, for some R&R in the Caribbean. Told through alternating points of view, *The Sunshine When She's Gone* explores the life-changing impact of parenthood on a couple as individuals and as partners. Thea Goodman brings us into intimacies made tense by sleep-deprivation and to losses and gains made more real by acknowledging them. Here is the
