#### THE STUNNING CONCLUSION TO THE EPIC CROWN OF THE BLOOD TRILOGY.

On the Flamescar Plateau, a time of peace and prosperity is threatened by a distant sorcerous power. Can Athol Khul bring the tribes together to keep the peace, or will war claim them all – and destroy their future? The coming of the God-King Sigmar has brought relative peace and prosperity to the Great Parch. Yet across the sun-drenched plains of the Flamescar Plateau the passions of the tribes are intemperate and generations of loyalty to the Hammegod cannot wholly erase their warlike past and bloodthirsty traditions. Among them live the Khul, outsiders allied to the mighty Aridians through shared blades. Athol Khul is the spear-carrier, the bridge between these peoples, and to him falls a near-impossible task when a distant sorcerous power threatens the alliance. With the lives of his family and people hanging in the balance, Athol must secure whatever companions and powers he can to aid in the coming war. In doing so, he starts upon a path that will lead to glory and ruin in equal measure.

The elite warriors of the Blood Angels Space Marine Chapter board an ancient space hulk, seeking to purge its deadly alien infestation and avenge a past wrong. Six centuries ago, Space Marines of the Blood Angels Chapter boarded the space hulk Sin of Damnation to cleanse it of a genestealer infestation. They were never seen again. Now, the ancient space hulk has reemerged from the warp, and Captain Raphael leads a kill team of mighty Terminators aboard, determined to avenge that ancient shame and finally destroy the aliens. Vastly outnumbered and beset by the psychic might of the hive mind, the Blood Angels must complete their mission before they are overwhelmed by the xenos and their Chapter is humbled once more.

Delve in to the dark past of the Dark Angels legion with this fantastic novel. Knight of the Angelicasta. Saviour of the Lion. Grand Master of the Order. Lord of the Dark Angels. Protector of Caliban. Chaos Heretic. Destroyer of Caliban. Sorcerer of the Abyss. Arch-traitor. Dark Oracle. First of the Fallen. Can one man be all of these things? Kept alive and imprisoned for ten thousand years, Luther is the curse and the salvation of the Dark Angels made manifest. None are so close to the heart and history of the Chapter as the man that embodies all that was great about the First Legion and all that is shameful about the Dark Angels. In his story is writ the tale of the Horus Heresy in a single, long life. Glory, honour, pride, shame and betrayal weave a tapestry of truth and lies that the Supreme Grand Masters of the Dark Angels have sought to understand and unravel across ten bloody millennia. Luther claims repentance for his past deeds, but was it his sins that condemned the Chapter to its secretive fate, or should warnings from history have been more closely heeded?

After a 16 year absence the Last Chancers are back! Lieutenant Kage of the 13th Penal Legion is dead, his charred remains lost to the depths of a fiery chasm. But as his battalion – the Last Chancers – mourns, a new hero rises from the ashes. The Burned Man. Kage’s miraculous survival attracts a cult of desperate followers, who believe him sent to the ork-infested world of Armageddon by the God-Emperor Himself. However, the rampaging greenskins are not the only threat to his new life. The ruthless Colonel Schaeffer, his former commander, has seen through his ploy and will stop at nothing to bring his errant charge to justice... Yet unbeknownst to both men, darker powers yearn to see Armageddon bathed and bound in blood. Kage and Schaeffer must put the ghosts of their past aside and unite, or see the Emperor’s Light forevermore extinguished upon this tortured world.
