Hans Keilson

Written while Hans Keilson was in hiding during World War II, *The Death of the Adversary* is the self-portrait of a young man helplessly fascinated by an unnamed "adversary" whom he watches rise to power in 1930s Germany. It is a tale of horror, not only in its evocation of Hitler's gathering menace but also in its hero's desperate attempt to discover logic where none exists. A psychological fable as wry and haunting as *Badenheim 1939*, *The Death of the Adversary* is a lost classic of modern fiction.

A penetrating study of ordinary people resisting the Nazi occupation—and, true to its title, a dark comedy of wartime manners—*Comedy in a Minor Key* tells the story of Wim and Marie, a

Dutch couple who first hide a Jew they know as Nico, then must dispose of his body when he dies of pneumonia. This novella, first published in 1947 and now translated into English for the first time, shows Hans Keilson at his best: deeply ironic, penetrating, sympathetic, and brilliantly modern, an heir to Joseph Roth and Franz Kafka. In 2008, when Keilson received Germany's prestigious Welt Literature Prize, the citation praised his work for exploring "the destructive impulse at work in the twentieth century, down to its deepest psychological and spiritual ramifications." Published to celebrate Keilson's hundredth birthday, *Comedy in a Minor Key*—and *The Death of the Adversary*, reissued in paperback—will introduce American readers to a forgotten classic author, a witness to World War II and a sophisticated storyteller whose books remain as fresh as when they first came to light.

Published when the author was just twenty-three, *Life Goes On* was Hans Keilson's literary debut, an extraordinary autobiographical novel that paints a dark yet illuminating portrait of Germany between the world wars. It is the story of Herr Seldersen—a Jewish store owner modeled on Keilson's father, a textile merchant and decorated World War I veteran—along with his wife and son, Albrecht, and the troubles they encounter as the German economy collapses and politics turn rancid. The book was banned by the Nazis in 1934. Shortly afterward, following his editor's advice, Keilson emigrated to the Netherlands, where he would spend the rest of his life. *Life Goes On* is an essential volume for readers of Keilson's later work. At the age of one hundred,

with his one copy of the first edition of *Life Goes On* in hand, Keilson told *The New York Times* that he would love to see his first novel reissued, and translated as well. "Then you would have my whole biography," he told them. He died at the age of one hundred and one.

[1944 *Diary*] is a deeply personal account, made even more remarkable that it was written during World War II and the horrors of the Holocaust . . . A moving and fascinating read." —*Library Journal*

In 2010, FSG published two novels by the German- Jewish writer Hans Keilson: *Comedy in a Minor Key*—written in 1944 while Keilson was in hiding in the Netherlands, first published in German in 1947, and never before in English—and *The Death of the Adversary*, begun in 1944 and published in 1959, also in German. With their Chekhovian sympathy for perpetrators and bystanders as well as for victims and

resisters, Keilson ' s novels were, as Francine Prose said on the front page of The New York Times Book Review, “ masterpieces ” by “ a genius ” on her list of “ the world ' s very greatest writers. ” Keilson was one hundred years old, alive and well and able to enjoy his belated fame. 1944 Diary, rediscovered among Keilson ' s papers shortly after his death, covers nine months he spent in hiding in Delft with members of a Dutch resistance group, having an affair with a younger Jewish woman in hiding a few blocks away and striving to make a moral and artistic life for himself as the war and the Holocaust raged around him. For readers familiar with Keilson ' s novels as well as those new to his work, this diary is an incomparable spiritual X-ray of the mind and heart behind the art: a record of survival and creativity in what Keilson called “ the most critical year of my life. ” Offering further insight into Keilson are the sonnets he wrote for his lover, Hanna Sanders, which

Seventeen-year-old Felicia Ward is dead and spending her time in the hive reliving her happy memories--but when Julian, a dark memory from her past, breaks into the hive and demands that she come with him, she discovers that even the afterlife is more complicated and dangerous than she dreamed.

"Heaton expertly portrays Marseille as one of history's great fighter pilots, as well as a man who lived life to the full and who fought with honor." — Dennis Showalter *The Star of Africa* is a biography of the dramatic life and meteoric career of German Luftwaffe Captain Hans-Joachim Marseille, the "Star of Africa." Marseille, a legendary figure in the annals of military history, had 158 kills to his name and was one of the rare recipients of the Knight's Cross with Oak Leaves, Swords, and Diamonds, the Third Reich's highest honor awarded for valor in

combat. Unlike other German fighter aces, Marseille is also a famous figure in the public imagination in the United States and other English-speaking countries, where his rebellious nature, iconoclastic behavior, and early death have nourished his reputation just as greatly as his exceptional skill and chivalrous conduct as an adversary.

A clinical and statistical follow-up study on the fate of Jewish war orphans from The Netherlands.

As the third Trial draws to a close, Thomas and some of his cohorts manage to escape from WICKED, their memories having been restored, only to face new dangers as WICKED claims to be trying to protect the human race from the deadly FLARE virus.
