The Dilbert principle is

# Access PDF The Dilbert Principle

A concept in management developed by Scott Adams, creator of the comic strip

Dilbert, which states that companies tend to systematically promote incompetent employees to management to get them out of the workflow. The Dilbert principle is inspired by the Peter principle, which holds that

# Access PDF The Dilbert Principle

employees are promoted based on success in their current position until they reach their "level of incompetence" and are no longer promoted.

Under the Dilbert principle, employees who we
