A good content strategy therefore needs to begin with a good understanding of context drawn from the competitive and brand situation as well as customer insight, which can then inform an objective, strategic direction and plan that can be executed through a coherent but responsive set of plans, actions and measures.

### The six fundamental elements of an effective content strategy

Ironically, I found this primer on content strategy, The Elements of Content Strategy by Erin Kissane, lacking in both content and strategy. Moreover, what made it hard to get through even such a short book was the dry prose. Even for someone who is very interested in content – online and otherwise – this was just too boring, I am sorry to say.
