This book can be viewed as a study of prayer and The Names of God, as well as, used as a devotional guide into a more intimate relationship with Our Creator and Lord. It is a book to be experienced, not just read. You will begin by seeing how Genesis 22 is actually a guideline to HOW and WHEN to LISTEN for His Voice. Continuing with the theme of relationship with Him, we look into many of the passages that state "Lord" or "God," while the original Names called out "Creator," "Master," "Provider," and so much more. Each section ends with a prayer, thus leading you into reflections and thoughts of your own concerning what you have just read. Andrea Davis has a Master's Degree in Education and currently teaches at an alternative high school in Illinois. Nancy Radtke, who resides in Arizona and Illinois, has a degree in Occupational Therapy and is now a professional artist. Both authors are co-founders of In His Presence Prayer Ministries. IHPPM is a teaching ministry that seeks to help believers experience a deeper desire for The Presence of Their Heavenly Father, as well as, a more intimate relationship with Him.

A clairvoyant, Leadbeater wrote, is simply a person who develops "the power to respond to another octave out of the stupendous gamut of possible vibrations" and so is enabled "to see more of the world..than those of more limited perception." And what a world Leadbeater describes for us in these pages---a world of Master adepts and their pupils, untapped human powers and potentials, ancient mysteries, devas and nature spirits--in short, the unseen workings of the universe.
