"The Enemy" is the eighth of Lee Child's Jack Reacher novels and details his final case as a Military Police Major, as well as the death of his Parisian mother. I found it to be better written than the first Reacher novel ("Killing Floor") which I recently read, in terms of flow and continuity, and less reliant on choppy sentence structures to underpin Child's drive to make it a fast-paced read.

"If you're a thriller fan and you're not reading the Reacher series . . . you're not a thriller fan."—Chicago Tribune Jack Reacher is the most compelling hero in action and suspense today—hailed by Stephen King as “the coolest continuing series character now on offer” and a household name for legions of fans who can’t get enough of Lee Child’s #1 bestsellers. “The truth about Reacher gets better and better.”—Janet Maslin, The New York Times Once an elite military cop, Reacher is now a man with no phone, no address, and no ties anywhere. He wanders the land and lives in the moment—a cool-headed righter of wrongs who can’t let the bad guys get away with anything. This addictive eBook bundle features twelve Reacher adventures, which can be read in any order. But fair warning: Once you start, you won’t stop until you’ve finished them all. PERSUADER THE ENEMY ONE SHOT THE HARD WAY BAD LUCK AND TROUBLE NOTHING TO LOSE GONE TOMORROW 61 HOURS WORTH DYING FOR THE AFFAIR A WANTED MAN NEVER GO BACK Also includes the eBook short stories “Second Son,” “Deep Down,” and “High Heat” as well as a preview of the highly anticipated new Jack Reacher thriller, Personal! Praise for #1 bestselling author Lee Child and his Reacher series “Child is a superb craftsman of suspense.”—Entertainment Weekly “Like his hero Jack Reacher, Lee Child seems to make no wrong steps.”—Associated Press “Lee Child [is] the current poster-boy of American crime fiction.”—Los Angeles Times “Indisputably the best escape artist in this escapist genre.”—Marilyn Stasio, The New York Times “Jack Reacher is much more like the heir to the Op and Marlowe than Spenser ever was. . . . Reacher is as appealingly misanthropic as ever.”—Esquire “For pure fun, the Reacher novels are easily the best thriller series going.”—NPR “Widely admired by other writers as a master craftsman of action thrillers.”—The Wall Street Journal “Implausible, irresistible Reacher remains just about the best butt-kicker in thriller-lit.”—Kirkus Reviews

In this short story from the thrilling anthology FaceOff, bestselling authors Lee Child and Joseph Finder—along with their popular series characters Jack Reacher and Nick Heller—team up for the first time ever. When Jack Reacher sits down to watch a baseball game at a Boston bar, he has no way of knowing what kind of trouble is about to walk in the door—and not just because he’s a Yankees fan in a Red Sox town. In this action-packed short story, Reacher and a new acquaintance—Sox fan Nick Heller—find themselves drawn into a much less friendly rivalry when the guy sitting between them at the bar turns out to be a marked man. For more exciting pairs, check out all eleven short stories in FaceOff!

THE #1 NEW YORK TIMES BESTSELLING JACK REACHER SERIES THAT INSPIRED TWO MAJOR MOTION PICTURES AND THE UPCOMING STREAMING SERIES REACHER “Gripping and suspenseful . . . Child ratchets up the suspense to new heights.”—The Denver Post Jack Reacher lives for the moment. Without a home. Without commitment. And with a burning desire to right wrongs—and rewrite his own agonizing past. DEA Susan Duffy is living for the future, knowing that she has made a terrible mistake by putting one of her own female agents into a death trap within a heavily guarded Maine mansion. Staging a brilliant ruse, Reacher hurtles into the dark heart of a vast criminal enterprise. Trying to rescue an agent whose time is running out, Reacher enters a crime lord’s waterfront fortress. There he will find a world of secrecy and violence—and confront some unfinished business from his own past.

THE #1 NEW YORK TIMES BESTSELLING JACK REACHER SERIES THAT INSPIRED TWO MAJOR MOTION PICTURES AND THE UPCOMING STREAMING SERIES REACHER “Electrifying . . . this series [is] utterly addictive.”—Janet Maslin, The New York Times From a helicopter high above the California desert, a man is sent free-falling into the night. On the streets of Portland, Jack Reacher is pulled out of his wandering life and plunged into the heart of a conspiracy that is killing old friends . . . and the people he once trusted with his life. Reacher is the ultimate loner—no phone, no ties, no address. But a woman from his old military unit has found him using a signal only the eight members of their elite team would know. Then she tells him a terrifying story about the brutal death of a man they both served with. Soon Reacher is reuniting with the survivors of his team, scrambling to unravel the sudden disappearance of two other comrades. But Reacher won’t give up—because in a world of bad luck and trouble, when someone targets Jack Reacher and his team, they’d better be ready for what comes right back at them.

"Jack Reacher has extended his thumb and hit the pavement. His plan is to follow the autumn sun on an epic trip across America, from Maine to California. He doesn't get far. On a country road in rural New Hampshire, deep in the New England woods, he sees a sign to a place he has never been: the town where his father was born. He thinks, What's one extra day? and takes the detour ... The next morning in the city clerk's office, Reacher asks about the old family home. He's told no one named Reacher ever lived in town. He knows his father left and never returned. Now Reacher wonders: was he ever there in the first place?"--

"Everything starts somewhere. . . .For elite military cop Jack Reacher, that somewhere was Carter Crossing, Mississippi, way back in 1997. A lonely railroad track. A crime scene. A coverup. A young woman is dead, and solid evidence points to a soldier at a nearby military base. But that soldier has powerful friends in Washington. Reacher is ordered undercover--to find out everything he can, to control the local police, and then to vanish. Reacher is a good soldier. But when he gets to Carter Crossing, he finds layers no one saw coming, and the investigation spins out of control. Local sheriff Elizabeth Deveraux has a thirst for justice--and an appetite for secrets. Uncertain they can trust one another, Reacher and Deveraux reluctantly join forces. Reacher works to uncover the truth, while others try to bury it forever. The conspiracy threatens to shatter his faith in his mission, and turn him into a man to be feared."--Provided by publisher.

Two lonely towns in Colorado: Hope and Despair. Between them, twelve miles of empty road. Jack Reacher never turns back. It's not in his nature. All he wants is a cup of coffee. What he gets is big trouble. So in Lee Child's electrifying new novel, Reacher—a man with no fear, no illusions, and nothing to lose—goes to war against a town that not only wants him gone, it wants him dead. It wasn't the welcome Reacher expected. He was just passing through, minding his own business. But within minutes of his arrival a deputy is in the hospital and Reacher is back in Hope, setting up a base of operations against Despair, where a huge, seething walled-off industrial site does something nobody is supposed to see . . . where a small plane takes off every night and returns seven hours later . . . where a garrison of well-trained and well-armed military cops—the kind of soldiers Reacher once commanded—waits and watches . . . where above all two young men have disappeared and two frightened young women wait and hope for their return. Joining forces with a beautiful cop who runs Hope with a cool hand, Reacher goes up against Despair—against the deputies who try to break him and the rich man who tries to scare him—and starts to crack open the secrets, starts to expose the terrifying connection to a distant war that's killing Americans by the thousand. Now, between a town and the man who owns it, between Reacher and his conscience, something has to give. And Reacher never gives an inch.
