~~Forever Fix, The: Gene Therapy
and the Boy Who Saved It ...~~

The Forever Fix by Ricki Lewis is a
nonfiction, scientific novel,
depicting not only the triumphs
and success stories associated
with gene therapy procedures,
but the risks and tragedies as
well. The entire book is centered
around the story of young Corey
Haas.

St. Martin's Press published "The
Forever Fix: Gene Therapy and
the Boy Who Saved It," in March,
2012. It was a long time coming –
as was the field of gene therapy
itself. I'd been writing about gene
therapy since the beginning.

root, eliminates the need for
further surgery or medication.

~~The Forever Fix—Ricki Lewis~~

The Forever Fix delves into other stories of gene therapy--including the epic failure that was the Jesse Gelsinger case--and provides a comprehensive view of how far the technology has come in the past few decades. This would have been an ideal book to read in some of my undergrad biotech/human genetics courses.
