Empress Elizabeth of Austria, known as Sisi, is the Princess Diana of nineteenth-century Europe.

Famously beautiful, as captured in a portrait with

Get Free The Fortune Hunter Daisy Goodwin

diamond stars in her hair, she is unfulfilled in her marriage to the older Emperor Franz Joseph. Sisi has spent years evading the stifling formality of royal life on her private train or yacht or, whenever she can, on the back of a horse. Captain Bay Middleton is dashing, young, and the finest horseman in England. He is also impoverished, with no hope of buying the horse needed to win the Grand National—until he meets Charlotte Baird. A clever, plainspoken heiress whose money gives her a choice among suitors, Charlotte falls in love with Bay, the first man to really notice her, for his vulnerability as well as his glamour. When Sisi joins the legendary hunt organized by Earl Spencer in England, Bay is asked to guide her on the treacherous course. Their shared passion for riding leads to an infatuation that jeopardizes the growing bond between Bay and Charlotte, and threatens all of their futures. *The Fortune Hunter*, a brilliant new novel by Daisy Goodwin, is a lush, irresistible story of the public lives and private longings of grand historical figures.

A beautiful empress trapped in a loveless marriage, a dashing but impoverished horseman and a clever heiress form a passionate love triangle in 19th-century England against a backdrop of the legendary Grand National competition. By the best-selling author of *The American Heiress*. 150,000 first printing.

From the script writer of the epic TV drama, *VICTORIA* comes Daisy Goodwin's *THE FORTUNE HUNTER* for readers of *MY LAST DUCHESS (THE AMERICAN HEIRESS)* and any novel by Georgette Heyer *A

Richard and Judy Book Club title* 'Pure, light-hearted, unpretentious entertainment' Sunday Express In 1875, Sisi, the Empress of Austria is the woman that every man desires and every woman envies.

Beautiful, athletic and intelligent, Sisi has everything - except happiness. Bored with the stultifying etiquette of the Hapsburg Court and her dutiful but unexciting husband, Franz Joseph, Sisi comes to England to hunt. She also comes looking for excitement and finds it in the dashing form of Captain Bay Middleton, the only man in Europe who can outride her. Ten years younger than her and engaged to the rich and devoted Charlotte, Bay has everything to lose by falling for a woman who can never be his. But Bay and the Empress are as reckless as each other, and their mutual attraction is a force that cannot be denied.

Now including an excerpt from VICTORIA: A Novel, by Daisy Goodwin, the Creator/Writer of the Masterpiece Presentation on PBS. "Anyone suffering Downton Abbey withdrawal symptoms (who isn't?) will find an instant tonic in Daisy Goodwin's The American Heiress. The story of Cora Cash, an American heiress in the 1890s who bags an English duke, this is a deliciously evocative first novel that lingers in the mind." --Allison Pearson, New York Times bestselling author of I Don't Know How She Does It and I Think I Love You Be careful what you wish for. Traveling abroad with her mother at the turn of the twentieth century to seek a titled husband, beautiful, vivacious Cora Cash, whose family mansion in Newport dwarfs the Vanderbilts', suddenly finds herself Duchess of Wareham, married to Ivo, the most eligible bachelor

Get Free The Fortune Hunter Daisy Goodwin

in England. Nothing is quite as it seems, however: Ivo is withdrawn and secretive, and the English social scene is full of traps and betrayals. Money, Cora soon learns, cannot buy everything, as she must decide what is truly worth the price in her life and her marriage. Witty, moving, and brilliantly entertaining, Cora's story marks the debut of a glorious storyteller who brings a fresh new spirit to the world of Edith Wharton and Henry James. "For daughters of the new American billionaires of the 19th century, it was the ultimate deal: marriage to a cash-strapped British Aristocrat in return for a title and social status. But money didn't always buy them happiness." --Daisy Goodwin in The Daily Mail One of Library Journal's Best Historical Fiction Books of 2011

The official companion to the second season of the PBS/Masterpiece drama *Victoria* by award-winning creator and screenwriter Daisy Goodwin. Airing in the *Downton Abbey* slot on PBS/Masterpiece last January, *Victoria* captivated millions of viewers, eclipsing *Downton*'s first-season viewership and leaving its audience eager for the series's next season, which will focus on Victoria and Albert's passionate and tempestuous marriage. This official tie-in to the show, by creator and screenwriter Daisy Goodwin, gives a behind-the-scenes look at the making of the show, featuring never-before-seen interviews, photos, diary entries, profiles on all major characters, and sumptuous detail on the costumes and props that bring Victoria and Albert's world to vivid life. *Victoria and Albert* follows this extraordinary relationship between two very different people—she impulsive, emotional, capricious; he cautious, self-controlled,

Get Free The Fortune Hunter Daisy Goodwin

and logical—whose devotion to each other was unparalleled in royal history. Taking fans deeper into the world of Victoria than ever before, *Victoria and Albert: A Royal Love Affair* is the ultimate gift for devotees of the show.

Other children had imaginary friends; I had a fictional mother, a siren from the southern hemisphere.

Gorgeous, spirited and extravagantly rich, Cora Cash is the closest thing 1890s New York society has to a princess. Her masquerade ball is the prelude to a campaign that will see her mother whisk Cora to Europe, where Mrs Cash wants nothing less than a title for her daughter. In England, impoverished blue-bloods are queueing up for introductions to American heiresses, overlooking the sometimes lowly origins of their fortunes. Cora makes a dazzling impression, but the English aristocracy is a realm fraught with arcane rules and pitfalls, and there are those less than eager to welcome a wealthy outsider...

and the Empress are as reckless as each other, and their mutual attraction is a force that cannot be denied. Full of passion and drama, THE FORTUNE HUNTER tells the true story of a nineteenth century Queen of Hearts and a cavalry captain, and the struggle between love and duty.

Prozac has side effects, drinking gives you hangovers, therapy's expensive. For quick and effective relief -- or at least some literary comfort -- from everyday and exceptional problems, try a poem. Over the ages, people have turned to poets as ambassadors of the emotions, because they give voice and definition to our troubles, and by so doing, ease them. No matter how bad things get, poets have been there, too, and they can help you get over the rough spots. This is the first poetry anthology designed expressly for the self-help generation. The poems listed include classics by Emily Dickinson, Lord Byron, Ogden Nash, and Lucretius, to name just a few, along with newer works by such current practitioners as Seamus Heaney and Wendy Cope. This book has a cure or consolation for nearly every affliction, ancient or modern. And no side effects-except pleasure.

"Makes Game of Thrones look like a nursery rhyme."
—Daisy Goodwin, New York Times bestselling author of The Fortune Hunter "[Alpsten] recounts this remarkable woman's colourful life and times."

—Count Nikolai Tolstoy, historian and author Before there was Catherine the Great, there was Catherine Alexeyevna: the first woman to rule Russia in her own right. Ellen Alpsten's rich, sweeping debut novel is the story of her rise to power, St. Petersburg, 1725. Peter

Get Free The Fortune Hunter Daisy Goodwin

the Great lies dying in his magnificent Winter Palace. The weakness and treachery of his only son has driven his father to an appalling act of cruelty and left the empire without an heir. Russia risks falling into chaos. Into the void steps the woman who has been by his side for decades: his second wife, Catherine Alexeyevna, as ambitious, ruthless and passionate as Peter himself. Born into devastating poverty, Catherine used her extraordinary beauty and shrewd intelligence to ingratiate herself with Peter's powerful generals, finally seducing the Tsar himself. But even amongst the splendor and opulence of her new life—the lavish feasts, glittering jewels, and candle-lit hours in Peter's bedchamber—she knows the peril of her position. Peter's attentions are fickle and his rages powerful; his first wife is condemned to a prison cell, her lover impaled alive in Red Square. And now Catherine faces the ultimate test: can she keep the Tsar's death a secret as she plays a lethal game to destroy her enemies and take the Crown for herself? From the sensuous pleasures of a decadent aristocracy, to the incense-filled rites of the Orthodox Church and the terror of Peter's torture chambers, the intoxicating and dangerous world of Imperial Russia is brought to vivid life. Tsarina is the story of one remarkable woman whose bid for power would transform the Russian Empire.
