The Fountain of Humor for Seniors available as an eBook and in Audio files is a collection of jokes and stories targeted to seniors 50]. These jokes can be read and listened to by the senior him- or herself or read and/or played to them by the people who live, work or love them. The material is helpful to mind and body. It is funny, tasteful and likely to make most seniors laugh out loud. It's all about feeling good, feeling much better, reducing sad feelings, healing mind and body. All anyone needs to do is to laugh loud and long to feel good and better. Yes, it works. It's not a cure-all for aging and not a Fountain of Youth . . . simply a Fountain of Humora?[for seniors. It is a supply of funny jokes and stories that really helps, for a while, to reduce the depression about aging, the loss of loved ones, chronic illness, loss of sight, sound and mobility. Our jokes and stories are provided through our unique process of selection, customization and cleansing by our "Joke-Jury." This combined publication of text and audio has been designed so that: A blind or partially blind person can hear the jokes and laugh. A deaf or partially deaf person can see the jokes and laugh. A healthy person can see and hear the jokes and laugh. Even the dying find something to laugh about for a moment in time and will ask for more jokes. My father-in-law, terminally ill with cancer, called often in his last year asking my wife and me to read a joke or two to him. Hearing him laugh from miles away also opened the door to comforting conversation and made it easier for all of us. This is mighty important for all of us. An 85-year-old, losing her mental capacities, repeatedly asked for our jokes to be read to her. It comforted her right up to her passing. A professional woman purchased the set for "signing" to groups of deaf people. She works with them as the audio version plays the jokes for her. Instructions are provided on how to read them to diverse senior audiences in institutional settings or families or to their friends. We believe that the elderly, infirmed, families or just two people enjoy the togetherness and communal feeling that laughter brings. People love having jokes read to them. That "legitimizes" laughing out loud. Everyone

love having jokes read to them. That “legitimizes” laughing out loud. Everyone wants to laugh, whether they are kids age 1 or 100.

Love chocolate? . . . Need a good laugh? Who doesn't? Find mirth and spiritual refreshment in Heavenly Humor for the Chocolate Lover's Soul, featuring devotional readings drawn from fellow chocolate fanciers. Seventy-five readings will make you laugh, chuckle, chortle, and snicker. And every reading points you to the heavenly Father who knows all about you—and loves you completely.

Humor is the tendency of particular cognitive experiences to provoke laughter and provide amusement. Throughout history, it has played a crucial role in defining gender roles and identities. This collection offers an in-depth thematic examination of this relationship between humor and gender, spanning a variety of historical and cultural backdrops.

A penetrating look into what really gave America's most notable magazine its distinctive punch

Explores the Eastern German literary trend of the 1990s employing humor and satire to come to terms with socialism's failure and a difficult unification process. This title surveys ten novels including, works by Brussig, Schulze, and Hensel. These contemporary texts help define Germany today from a specific, East German perspective.

This is the first book in English to survey the Eastern German literary trend of employing humor and satire to come to terms with experiences in the German Democratic Republic and after the fall of the Berlin Wall. As sophisticated attempts to make sense of socialism's failure and a difficult unification process, these contemporary texts help define Germany today from a specific, Eastern German perspective. Grounded in politics and history, ten humorous and satirical novels are analyzed for their literary aesthetics and language, cultural critiques, and socio-political insights. The texts include popular novels such as Thomas Brussig's *Helden wie wir*, Ingo Schulze's *Simple Storys*, and Jens Sparschuh's *Der Zimmerspringbrunnen*, as well as lesser-known but equally relevant works like *Schlehwins Giraffe* by Bernd Schirmer and *Katerfrühstück* by Erich Loest. A broad spectrum of humor and satire theories is applied to probe texts from various angles and suggest multi-layered answers to the question of how these literary modes function in postwall Germany to construct a specifically Eastern German identity. Interviews the author conducted with five of the satirists are appended as primary sources and contribute to the interpretation of the texts.

Originally published in 1993. The purpose of this volume is to lay out documents which give an estimate of Mark Twain as a humourist in both historical scope and in the analysis of modern scholars. The emphasis in this collection is on how Twain developed from a contemporary humourist among many others of his generation into a major comic writer and American spokesman and, in several more recent essays by younger Twain scholars, the outcomes of that development late in his career. The essays determine how the humor takes on meaning and importance and how the humor works in a number of ways in the literary canon and even in the persona of Mark Twain.
