Davenport displays vast erudition, and he does so gracefully. He is particularly adept at seeing and articulating connections among far-flung strands of human intellectual and artistic endeavor.

The Geography of the Imagination: Forty Essays: Davenport ...

The Geography of the Imagination turned out to be my stimulating introduction to Guy Davenport, the multifaceted American man of letters. The forty essays here amply convey the range & depth of this fascinating mind. The title struck me as a paradox though: geography deals with boundaries whereas imagination is famously boundless.
