Hazleton's new book, *Agnostic: A Spirited Manifesto*, is out now from Riverhead Books. Muhammad's was a life of almost unparalleled historical importance; yet for all the iconic power of his name, the intensely dramatic story of the prophet of Islam is not well known. In *The First Muslim*, Lesley Hazleton brings him vibrantly to life. Drawing on early eyewitness sources and on history, politics, religion, and psychology, she renders him as a man in full, in all his complexity and vitality. Hazleton's account follows the arc of Muhammad's rise from powerlessness to power, from anonymity to renown, from insignificance to lasting significance. How did a child shunted to the margins end up revolutionizing his world? How did a merchant come to challenge the established order with a new vision of social justice? How did the pariah hounded out of Mecca turn exile into a new and victorious beginning? How did the outsider become the ultimate insider? Impeccably researched and thrillingly readable, Hazleton's narrative creates vivid insight into a man navigating between idealism and pragmatism, faith and politics, nonviolence and violence, rejection and acclaim. *The First Muslim* illuminates not only an immensely significant figure but his lastingly relevant legacy.

In this riveting novel, beloved international bestselling author Deepak Chopra captures the spellbinding life story of the great and often misunderstood Prophet. Islam was born in a cradle of tribal turmoil, and the arrival of one God who vanquished hundreds of ancient Arabian gods changed the world forever. God reached down into the life of Muhammad, a settled husband and father, and spoke through him. Muhammad's divine and dangerous task was to convince his people to renounce their ancestral idols and superstitious veneration of multiple gods. From the first encounter, God did not leave Muhammad alone,

his life was no longer his own, and with each revelation the creation of a new way of life formed and a religion was born. Muhammad didn't see himself as the son of God or as one who achieved cosmic enlightenment. His relatives and neighbors didn't part the way when he walked down the parched dirt streets of Mecca. There was no mark of divinity. Orphaned by age six, Muhammad grew up surrounded by dozens of cousins and extended family to become a trusted merchant. Muhammad saw himself as an ordinary man and that is why what happened to him is so extraordinary. Rooted in historical detail, Muhammad brings the Prophet to life through the eyes of those around him. A Christian hermit mystic foretells a special destiny, a pugnacious Bedouin wet nurse raises him in the desert, and a religious rebel in Mecca secretly takes the young orphan under his spiritual wing. Each voice, each chapter brings Muhammad and the creation of Islam into a new light. The angel Gabriel demands Muhammad to recite, the first convert risks his life to protect his newfound faith, and Muhammad's life is not a myth but an incredible true and surprisingly unknown story of a man and a moment that sparked a worldwide transformation.

Ali Sina, a great expert of Islam, wrote about this book: "This is a great book. I read the first thirty pages and I could not stop. This book must be translated in all languages and become available to all ..." Narrating the story in the gripping way of a good novel, it tells about Muhammad, his believer and unbeliever tribal relatives, the Qur'an, and the Arabian society of the period as truthfully and originally as the oldest Arab records make it possible. It does not fail to shock and surprise when one finds that during his twenty-three years of "apostolate," Muhammad arranged for banditry raids, secret assassinations, ransom taking, kidnappings, slave trading, ethnic cleansing, inter-tribal wars, and murderous expeditions. Of these raids, the number of well recorded and documented, discussed by the

Qur'an itself, is thirty-eight. Muhammad personally took part in twenty-seven raids and battles in nine of which he was directly engaged in killing. These were the battles of Badr, Uhud, Ahzaab, Hunayn, and Ta'if, the massacres of the Qurayza and the Khyber Jews, the surprise raid on the Mustalaq, and the occupation of Mecca. History tells us that many kings started as bandits and came to rule vast territories. If Muhammad had claimed that he was a king, one could place him amongst the greatest of kings but the surprise lies in his claim that he was God's most favourite and final prophet. If prophets were to kill and plunder, sell slaves, hold captives for ransom, allow rape of slave women, and develop systems of extortion, how does one differentiate between a Godly man and a king?

In his own words, the heavyweight champion of the world pulls no punches as he chronicles the battles he faced in and out of the ring in this fascinating memoir edited by Nobel Prize-winning novelist, Toni Morrison. Growing up in the South, surrounded by racial bigotry and discrimination, Ali fought not just for a living, but also for respect and rewards far more precious than money or glory. He was named Sportsman of the Century by Sports Illustrated and the BBC. Ali redefined what it meant to be an athlete by giving hope to millions around the world and inspiring us all to fight for what is important to us. This is a multifaceted portrait of Muhammad Ali only he could render: sports legend; unapologetic anti-war advocate; outrageous showman and gracious goodwill ambassador; fighter, lover, poet, and provocateur; an irresistible force to be reckoned with. Who better to tell the tale than the man who went the distance living it?

Prophet Muhammad SAW from Mecca, unified Arabia into a single religious polity under Islam faith. Believed by Muslims to be a prophet and messenger of God, Muhammad is almost universally considered by Muslims as the last prophet sent by God to mankind. While non-Muslims generally regard Muhammad as the founder of Islam, Muslims consider him to have restored the unaltered original monotheistic faith of Prophet Adam, Prophet Abraham, Prophet Moses, Prophet Jesus, and other prophets. Prophet Muhammad SAW was orphaned at an early age; he was raised under the care of his paternal uncle Abu Talib. After his childhood Muhammad primarily worked as a merchant. Occasionally he would retreat to a cave in the mountains for several nights of seclusion and prayer; later, at age 40, he reported at this spot, that he was visited by Gabriel and received his first revelation from God. Three years after this event prophet Muhammad SAW started preaching these revelations publicly, proclaiming that "God is One." Prophet Muhammad, may the mercy and blessings of God be upon him, is the man beloved by more than 1.2 billion Muslims. He is the man who taught us patience in the face of adversity, and taught us to live in this world but seek eternal life in the hereafter. It was to Prophet

Muhammad that God revealed the Quran. Along with this Book of guidance God sent Prophet Muhammad, whose behavior and high moral standards are an example to us all. Prophet Muhammad's life was the Quran. He understood it, he loved it and he lived his life based on its standards. He taught us to recite the Quran, to live by its principles and to love it. When Muslims declare their faith in One God, they also declare their belief that Muhammad is the slave and final messenger of God. Prophet Muhammad taught us to love God and to obey Him. He taught us to be kind to each other, to respect our elders, and care for our children. He taught us that it was better to give than to receive and that each human life is worthy of respect and dignity. He taught us to love for our brothers and sisters what we love for ourselves. Prophet Muhammad taught us that families and communities are essential, and he pointed out that individual rights although important are not more important than a stable, moral society. Prophet Muhammad taught us that men and women are equal in the sight of God and that no one person is better than another except in respect to his or her piety and devotion to God.
