Explore your Inner Temple—your personal sacred space where there are no boundaries and all things are possible. With study, dedication, and practice, the lessons and exercises in this book will empower you to transform the repetitive rigors of the daily grind into a witch's web of magickal experiences. The Inner Temple of Witchcraft is a thorough course of education, introspection, meditation, and the development of the magickal and psychic abilities that are the birthright of the witch. Four introductory chapters present the history, traditions, and principles of witchcraft, followed by thirteen lessons that start with basic meditation techniques and culminate in a self-initiation ceremony equivalent to the first-degree level of traditional coven-based witchcraft. As you progress through this year-and-a-day course of study, you will explore a wide range of topics that support and inform the dedicated witch: Ancient and modern magickal philosophy Modern scientific theories supporting a new definition of reality "Instant" magick techniques for protection, healing, and serenity Energy work and anatomy, including chakras and auras Astral travel, dreams, and spirit guides Healing techniques for body, mind, and spirit This book's non-dogmatic presentation encourages an eclectic, personal approach while providing a strong foundation for the practice of witchcraft and magick. Develop your psychic abilities and practice potent magickal techniques as you explore the source of every witch's power—the temple within. Winner of the 2003 Coalition of Visionary Resources (COVR) Award for Best Magic Book

Connect with the Source of Magickal Power with this Foundational Course from Renowned Teacher Christopher Penczak This limited-edition hardcover celebrates the anniversary of Christopher Penczak's groundbreaking work, The Inner Temple of Witchcraft. The inner temple is your personal sacred space where there are no boundaries and all things are possible. With enhancements, corrections, and a focus on inclusivity, this edition of The Inner Temple of Witchcraft is an updated course for developing the magickal and psychic abilities that are the birthright of the witch. Discover the history, traditions, and basic techniques of witchcraft, followed by thirteen hands-on lessons that culminate in a self-initiation ceremony equivalent to the first-degree level of traditional covens. This year-and-a-day course of study explores a wide range of topics that support and inform the dedicated witch: · Ancient and modern magickal philosophy · Modern scientific theories supporting a new definition of reality · "Instant" magick techniques for protection, healing, and serenity · Energy work and anatomy, including chakras and auras · Astral travel, dreams, and spirit guides · Healing techniques for body, mind, and spirit In addition to serving as the textbook for the Temple of Witchcraft Mystery School's first-degree course, this book is designed to be used by witches everywhere. With study, dedication, and practice, the lessons and exercises will empower you to transform the repetitive rigors of the daily grind into a witch's web of magickal experiences.

As you enter the heart of witchcraft, you find at its core the power of sacred space. In Christopher Penczak's first book, The Inner Temple of Witchcraft, you found the sacred space within yourself. Now The Outer Temple of Witchcraft helps you manifest the sacred in the outer world through ritual and spellwork. The book's twelve lessons, with exercises, rituals, and homework, follow the traditional Wiccan one-year-and-a-day training period. It culminates in a self-test and self-initiation ritual to the second degree of witchcraft—the arena of the priestess and priest. COVR Award Winner (tied) for Book of the Year and Winner for Best Magic/Magick Book

A guide for solitaries, eclectics, and non-traditional Witches. It features lessons that contain meditations based on the Underworld journey teachings, as well as an advanced discussion of some facet of magick or witchcraft.

Is shamanism all that different from modern witchcraft? According to Christopher Penczak, Wicca's roots go back 20,000 years to the Stone Age shamanic traditions of tribal cultures worldwide. A fascinating exploration of the Craft's shamanic origins, The Temple of Shamanic Witchcraft offers year-and-a-day training in shamanic witchcraft. Penczak's third volume of witchcraft teachings corresponds to the water element - guiding the reader into this realm of emotion, reflection, and healing. The twelve formal lessons cover shamanic cosmologies, journeying, dreamwork, animal/plant/stone medicine, totems, soul retrieval, and psychic surgery. Each lesson includes exercises (using modern techniques and materials), assignments, and helpful tips. The training ends with a ritual for self-initiation into the art of the shamanic witch - culminating in an act of healing, rebirth, and transformation. COVR Award Winner

Penczak invites witches to continue their spiritual evolution by exploring the ceremonial arts. Learn how these two traditions intersect in history and modern magickal practice.

In the sixth installment of the award-winning Temple of Witchcraft series, popular author Christopher Penczak explores the quest of the God. In this volume, the twelve signs of the zodiac represent the God's symbolic journey through the sky. Each archetypal astrological force offers readers unique insight into the mysteries and the role of a high priest or high priestess. This manual of practical exercise, witchcraft theology, and ministerial advice also explores witchcraft and the modern world, discussing how contemporary issues can be approached from the perspective of witchcraft spirituality. A magickal education through the zodiac signs Learning tools for pagan ministers Earth stewardship and working with ley lines Ancestor work Trance work through dance and plant substances Mediumship within witchcraft Communing with your own personal twelvefold pantheon The lessons in this advanced magickal book culminate in a powerful self-initiation ritual that combines the lessons of the Goddess's descent and the God's journey, to bring awareness, understanding, and personal power.

Thoroughly examines the diverse aspects of an often misunderstood spirituality—from angels and aliens to reincarnation and the Merkaba—and features magickal practice, spellcraft, and thirty exercises for dimension travel, healing, meditation, and more. Original. 15,000 first printing.

A guide to psychic self-defense and protection magick that that includes instruction on forming protection shields, creating protection spells and rituals, and connecting with guardian spirits, angels, power animals, and patron deities.
