What Thomas

This book is about two famous inventors named Henry Ford and Thomas Edison. Henry Ford was always wondering what Thomas Edison's secret to inventing was. This book was interesting and exciting. I am inspired to create my own inventions and know that I must keep on going no matter what. I highly recommend this book for anyone who

Suzanne Slade wrote about two famous people in her book, *The Inventor's Secret: What Thomas Edison Told Henry Ford*. I've read Slade's book many times and I'm still amazed at all the great details she included about both Edison and Ford in such a limited number of words. At first, she focuses on one at a time.
