Language of the Heart by Bill W. - Goodreads

While we are using the language of the heart automatically, the higher concepts of universe personality are expressed within us: identity, self-consciousness, self-will, and possibility for self-revelation. The language of the heart is related with forgiveness and love. We are born inherently kind and naturally compassionate. The better man understands his neighbour, the easier it will be to forgive him, even to love him. Using the language of the heart we are able to forgive ourselves and ...

THE LANGUAGE OF THE HEART:

Love Poems and Passions The feeling of love respects no boundary of expression in a heart-to-heart intimacy between two souls. Love is love no matter how long or short its sojourn in the life of a person, no matter how deep or shallow its degree, or no matter how wide or narrow the space it occupies in one's heart.
