The Little Red Book vision is to see the United States evangelized with the Gospel of Jesus Christ. We desire to sow the seed by flooding the country with gospel booklets, follow-up on the fruit that is produced through discipleship, and equipping those new Christians to do the same for their Savior.

Reveals the man and the aims of the Cultural Revolution.

MY LITTLE RED BOOK is an anthology of stories about first periods, collected from women of all ages from around the world. The accounts range from light-hearted (the editor got hers while water skiing in a yellow bathing suit) to heart-stopping (a first period discovered just as one girl was about to be strip-searched by the Nazis). The contributors include well-known women writers (Meg Cabot, Erica Jong, Gloria Steinem, Cecily von Ziegesar), alongside today's teens. And while the authors differ in race, faith, or cultural background, their stories share a common bond: they are all accessible, deeply honest, and highly informative. Whatever a girl experiences or expects, she'll find stories that speak to her thoughts and feelings. Ultimately, MY LITTLE READ BOOK is more than a collection of stories. It is a call for a change in attitude, for a new way of seeing periods. In a time when the taboo around menstruation seems to be one of the few left standing, it makes a difficult subject easier to talk about, and helps girls feel proud instead of embarrassed or ashamed. By revealing what it feels like to undergo this experience first hand, and giving women the chance to explain their feelings in their own words, it aims to provide support, entertainment, and a starting point for discussion for mothers and daughters everywhere. It is a book every girl should have. Period.

"Minneapolis record indicates that 75% are successful in A.A." - The A.A. Grapevine, August 1946 In 1942, Ed W. began teaching the "Twelve Step Study" classes that helped the Minneapolis Group achieve their 75% recovery rate. Then in 1946, he and Barry C. (The first sober A.A. in the state) published the lectures used for these classes as a book. Initially titled The Twelve Steps, it was affectionately nicknamed "the little red book." Back in print for the first time in more than 65 years, the original 1946 edition reveals firsthand how some of A.A.'s earliest members made the program their way of life. Everyone from newcomers to oldtimers will find a wealth of practical experience in this comprehensive guide to the Twelve Steps. Praise for the 1946 edition of The Little Red Book: "I have enjoyed your little book very much & know that it will prove to be of a lot of help to many." - Dr. Bob, co-founder of Alcoholics Anonymous From a letter to Ed W., dated December 29th, 1946 "Everybody who has read it seems to like it very much - which of course was to be expected!" - Bill W., co-founder of Alcoholics Anonymous From a letter to Ed W., dated November 14th, 1946 The Little Red Book: The Original 1946 Edition is sold at cost, to carry the message to alcoholics. The publisher makes no money from the sale of this book. In order to facilitate study by the broadest possible audience, all references to Alcoholics Anonymous have been altered to correspond to the fourth edition. No other changes have been made to the original text. Don't be misled: Look for "The Original 1946 Edition" on the cover before purchasing. This is the only accurate reprint of the text as it was originally written.
