The Lizard King: The Essential Known as a poet, mystic, and shaman, the "Lizard King" performed rock concerts like rituals and took the worship of Dionysus seriously, carrying the torch of Pagan ideals. Jim Morrison was more than just the lead singer of the Doors. He was a controversial figure who emerged during the 1960s, and his enigmatic style and influence have grown steadily since his death in 1971.

The Lizard King: The Essential Jim Morrison by Jerry Hopkins Stripping bare the facts from the fantasies of Jim's death in Paris in 1971, and taking a long hard look at what has happened since to the people who he left behind, The Lizard King: The Essential Jim Morrison brings sharply into focus the broken dreams and unreachable ideals of one of the sixties' most enduring icons.

The Lizard King: The Essential Jim Morrison: Hopkins ...

Poet, shaman, Dionysian drunk, and druggie, Doors lead singer Jim Morrison quickly achieved cult status after his death in 1971. In The Lizard King, Jerry Hopkins reassesses Jim Morrison's life and provides fresh insights into this powerful and troubled talent, considering him as a human being rather than the myth he has become. At the heart of the book is a series of interviews with Morrison by journalists Ben Fong-Torres, John Tobler, Richard Goldstein, and others.

Jerry Hopkins, The Lizard King: The Essential Jim Morrison (1996) ISBN 0-684-81866-3, Jerry Hopkins and Danny Sugerman, No One Here Gets Out Alive (1980) ISBN 0-85965-138-X, Huddleston, Judy, Love Him Madly: An Intimate Memoir of Jim Morrison (2013) ISBN 9781613747506

Jim Morrison, lead singer of the Doors, has achieved a bizarre cult status since his death in 1971. Morrison was one of the most popular and controversial figures to emerge during the sixties; described as an 'erotic politician', poet, shaman, Dionysian drunk, his style and influence have grown steadily in the twenty years since his death, so that the real man has gradually disappeared behind the legend. Now, in The Lizard King: The Essential Jim Morrison, Morrison's biographer Jerry Hopkins, co-author of No One Here Gets Out Alive, reassesses Jim's life and provides fresh insights into him as a human being rather than the myth that he has become. But this reassessment is only part of this remarkable book. At its heart is a series of interviews with Jim Morrison by journalists including Hopkins himself, Ben Fong-Torres, John Tobler, Bob Chorush, Salli Stevenson, Richard Goldstein and the late John Carpenter, Morrison shows himself to have been articulate, intelligent and witty. Published uncot, these interviews provide a unique insight into a man who consciously created his own myth, then lived to regret it. Stripping bare the facts from the fantasies of Jim's death in Paris in 1971, and taking a long hard look at what has happened since to the people who he left behind, The Lizard King: The Essential Jim Morrison brings sharply into focus the broken dreams and unreachable ideals of one of the sixties' most enduring icons.

Imagine The Sopranos, with snakes! The Lizard King is a fascinating account of a father and son family business suspected of smuggling reptiles, and the federal agent who tried to take them down. When Bryan Christy began to investigate the world of reptile smuggling, he had no idea what he would be in for. In the course of his research, he was bitten between the eyes by a blood python, chased by a mother alligator, and sprayed by a bird-eating tarantula. But perhaps more dangerous was coming face to face with Michael J. Van Nostrand, owner of Strictly Reptiles, a thriving family business in Hollywood, Florida. Van Nostrand imports as many as 300,000 iguanas each year (over half the total of America's most popular imported reptile), as well as hundreds of thousands of snakes, lizards, frogs, spiders, and scorpions. Van Nostrand was suspected of being a reptile smuggler by Special Agent Chip Bepko of the U.S. Fish and Wildlife Service, who devoted years of his life in an obsessive quest to expose The Lizard King's cold-blooded crimes. How this cat-and-mouse game ended is engrossing and surprising.

Thailand can be divided into four culturally and geographically diverse regions. The mountainous north, centered around the old walled city of Chiang Mai, offers trekking, whitewater rafting, elephant riding and the opportunity to meet fascinating hill tribes. The northeastern plateau boasts spectacular Khmer temple architecture and is home to the hospitable Isan people. The central plains are dominated by Bangkok, the famed " City of Angels ", which offers an astonishingly diverse range of shopping opportunities, restaurants and nightlife, as well as magnificent palaces and other fine buildings. Finally the peninsular south of the country has pristine beaches aplenty along the shores of both the Andaman Sea and the Gulf of Thailand.

A riveting memoir that works its magic like a slow-acting drug, revealing the story of Jim Morrison 's first love, a long-lost friendship, and the man who existed before the Doors. In the spring of 1965, Bill Cosgrave was smuggled across the border into the United States after receiving an irresistible invitation from his captivating friend Mary Warbelow. When he made it to her apartment in Los Angeles, Mary introduced Bill to her boyfriend, Jim Morrison. The two young men quickly bonded. When Jim and Mary 's relationship faltered, Jim headed for Venice beach with his notebook. Bill and Jim spent endless days together, enjoying the aimlessness of their youth and the freedom of the times, fuelled by Jim's unlimited supply of dope. Jim 's writing would morph into iconic hit songs, rocketing him to international fame as the hypnotic lead singer of the Doors. Beautiful Mary would set off on her own journey. After years of futile searching, Bill finally tracks down the woman he had secretly loved. He 's dying to know where her life has taken her and stunned by what he discovers.

A gripping chronicle regarding the involvement of a mysterious French count in the greatest mystery in Rock 'n' Roll history - how did Jim Morrison actually die? Last Words, Last Words - Out. These were the final words written by rock icon Jim Morrison, less than 24 hours before he took his final breath in Paris. For the first time ever, we learn those words were written for Morrison's murderer. The chilling letters detail the events leading up to his death, the names of those plotting against him, and the major changes he intended to make in his life. Turn The Page provides a graphic, disturbing look at a life cut too short; with newly found insights offered from the "Lizard King" himself. For the first time ever, Jim Morrison reveals his true plans in Paris; and whether or not he was going to return to The Doors. Learn his true feelings for Pamela Courson, and other significant people in his life.

Intense, erotic, and enigmatic, Jim Morrison's persona is as riveting now as the lead singer/composer "Lizard King" was during The Doors' peak in the late sixties. His fast life and mysterious death remain controversial more than twenty years later. The Lords and the New Creatures, Morrison's first published volume of poetry, is an uninhibited exploration of society's dark side -- drugs, sex, fame, and death -- captured in sensual, seething images. Here, Morrison gives a revealing glimpse at an era and at the man whose songs and savage performances have left their indelible impression on our culture.

Guide to Lizards is your essential reference to the lizards of the world. Inside you will find entries on more than 300 species of lizards, from the commonplace to the very rare. The species are arranged according to their region of origin, making this book a handy tool for ecotourists while also providing useful insights to pet lizard keepers. A photograph accompanies each entry for easy identification, with additional photos for some entries showing males and females, juvenile appearance, or related species. This guide is an indispensable resource for anyone interested in these fascinating reptiles.

" This book is the real story. " —Robby Krieger " [John] Denmore's is the first Doors biography that feels like it was written for the right reasons, and it is easily the most informed account of the Doors' brief but brilliant life as a group. . . . Denmore is a fluent, articulate writer who both comprehends the Doors' unearthly power and is on familiar terms with their antecedents in literature, theater, and myth. " —Rolling Stone " Well-written and touching . . . tells it all and tells it honestly. " —The New York Times Book Review " John Denmore's Riders of the Storm is as good an account of the history of the Doors as has been printed to date. " —USA Today " Riders on the Storm is very enjoyable, especially its homespun and self-experienced insights. John Denmore is a survivor and a seeker. " —Oliver Stone

Here is Jim Morrison in all his complexity—singer, philosopher, poet, delinquent—the brilliant, charismatic, and obsessed seeker who rejected authority in any form, the explorer who probed “the bounds of reality to see what would happen...” Seven years in the writing, this definitive biography is the work of two men whose empathy and experience with Jim Morrison uniquely prepared them to recount this modern tragedy: Jerry Hopkins, whose famous Presley biography, Elvis, was inspired by Morrison’s suggestion, and Danny Sugerman, confidant of and aide to the Doors. With an afterword by Michael McClure.

DESCRIPTION: Elmore Leonard meets Franz Kafka in the wild, improbably true story of the legendary outlaw of Budapest. Attila Ambrus was a gentleman thief, a sort of Cary Grant—if only Grant came from Transylvania, was a terrible professional hockey goalkeeper, and preferred women in leopard-skin hot pants. During the 1950s, while playing for the biggest hockey team in Budapest, Ambrus took up bank robbery to make ends meet. Arrayed against him was perhaps the most incompetent team of crime investigators the Eastern Bloc had ever seen: a robbery chief who had learned how to be a detective by watching dubbed Columbo episodes; a forensics man who wore top hat and tails on the job; and a driver so inept he was known only by a Hungarian word that translates to Mound of Ass-Head. BALLAD OF THE WHISKEY ROBBER is the completely bizarre and hysterical story of the crime spree that made a nobody into a somebody, and told a forlorn nation that sometimes the brightest stars come from the blackest holes. Like The Professor and the Madman and The Orchid Thief, Julian Rubinsteins bizarre crime story is so odd and so wicked that it is completely irresistible.
