The main character, Charlie Parker, is the strong, silent loner who uses his righteousness as a weapon in his fight against evil. This may sound weird or I'm describing this poorly, but you have to read this series. It's all so intriguing and will have you wondering, "Who is Charlie Parker?" A fallen demon trying to redeem himself?

New York Times bestselling author John Connolly is a master of the supernatural thriller—"a genre of one" (Bookreporter)—whose eerie and electrifying Charlie Parker mystery turns a small town in Maine into an unforgettable character that threatens to destroy the brooding private investigator. The isolated community of Prosperous, Maine, has always thrived. While others suffered, the people there have remained fortunate, wealthy, secure, and insular throughout the centuries. Miles to the south, in Portland, a homeless man dies, and the disturbing manner of his death brings Prosperous to the attention of the private investigator Charlie Parker. He is a dangerous man, driven by compassion, rage, and the desire for vengeance. Prosperous and its townsfolk recognize that he poses a threat to their security that runs deeper than any in their long history. But this community has its own way of protecting itself, and its sheltered residents have marked Charlie for death so that Prosperous may survive. Prosperous, and the secret that is buried beneath it. . .
