All college students understand the culture I speak of, and most understand it is their responsibility to uphold the values most dear to them. In ancient Confucian countries such as China, Korea, and Japan, merchants and money makers were looked down upon, while intellectuals were near the top of the social hierarchy. In

The Culture of Money - Rice University

Overview. The classic warts-and-all portrait of the 1980s financial scene. The 1980s was the most outrageous and turbulent era in the financial market since the crash of '29, not only on Wall Street but around the world. Michael Lewis, as a trainee at Salomon Brothers in New York and as an investment banker and later financial journalist, was uniquely positioned to chronicle the ambition and folly that fueled the decade.

The Money Culture by Michael Lewis, Paperback | Barnes ...

The "money culture" While routine clinical care and hopes for home-grown therapeutics may reduce the emphasis on basic science, the combination with haphazard management creates an incompatible "money culture." Unlike most academic disciplines, biomedical research involves a massive and technologically complex infrastructure.

The Culture of Money - The Annie E. Casey Foundation

As a consequence, the Culture has no need of economic constructs such as money (as is apparent when it deals with civilisations in which money is still important). The Culture rejects all forms of economics based on anything other than voluntary activity. "Money implies poverty" is a common saying in the Culture. Language

The Culture - Wikipedia

Money-spraying Having grown up in Nigeria, I believe the Nigerian culture that has an unmistakable flamboyance regardless of the tribe. Nigerians tend to be extravagant, dramatic and love to have a good time.
