For Cassie Beaumont, it’s meeting her perfect match. Cassie, at thirty-three, wants a husband and kids, and so far nothing’s worked. Not blind dates, not the internet and certainly not leaving love to chance. What other options are there? Well...she could hire a professional matchmaker. Simon Dodson has quite a reputation, but he’s very choosy about the clients he takes on—and very expensive. Cassie considers him a difficult, acerbic know-it-all, and she’s astonished when he accepts her as a client. Claiming he has her perfect mate in mind, Simon assigns her three tasks to complete before she meets this paragon. Three tasks that are all about Christmas: being a charity bell-ringer, dressing up as Santa’s elf at a mall and preparing a traditional turkey dinner for her neighbors (most of whom she happens to dislike). Despite a number of comical mishaps, Cassie does it all—and then she’s finally ready to meet her match. But just like the perfect Christmas gift, he turns out to be a wonderful surprise!

NEW YORK TIMES BESTSELLER • A special holiday wish list brings about hope, love, and second chances in this nostalgic novel from the queen of Christmas stories, Debbie Macomber. Lindy Carmichael isn't feeling particularly joyful when she returns home to Wenatchee, Washington, for Christmas. The man she thought was "the one" has cheated on her with her best friend, and she feels completely devoid of creativity in her graphic-design job. Not even carolers or Christmas cookies can cheer her up—but Lindy's mother, Ellen, remembers an old tradition that might lift her daughter's spirits. Reading through a box of childhood letters to Santa and reminiscing about what she'd wished for as a young girl may be just the inspiration Lindy needs. With Ellen's encouragement, she decides to write a new letter to Santa, one that will encourage her to have faith and believe just as she'd done all those years ago. Little does Lindy know that this exercise in gratitude will cause her wishes to unfold before her in miraculous ways. And, thanks to some fateful twists of Christmas magic—especially an unexpected connection with a handsome former classmate—Lindy ultimately realizes that there is truly no place like home for the holidays. In *Dear Santa*, Debbie Macomber celebrates the joys of Christmas blessings, old and new.

Katherine O'Connor adores her five-year-old twin nieces—and objects to her sister's plans to dispense with Christmas. While Katherine spends her days at a cozy café, writing Christmas letters for other people, her sister is following the theories of child psychologist and author Wynn Jeffries, who is also, as it happens, Katherine's neighbor. She is particularly horrified by his edict to "bury Santa under the sleigh," and she's out to prove that Wynn and his ideas are full of...snow. He's not going to ruin her nieces' Christmas! Too bad the guy's so darned attractive... As the days—and nights—move closer to Christmas, Katherine and Wynn both discover that love means accepting your differences. And Christmas is about the things you share... Originally published in 2006 Plus, enjoy this FREE fan-favorite bonus story from bestselling author Sheila Roberts about three friends, three wishes and one special Christmas! Friendly and bubbly, Julia Padden likes nearly everyone, but her standoffish neighbor, Cain Maddox, presents a particular challenge. No matter how hard she's tried to be nice, Cain rudely rebuffs her at every turn, preferring to keep to himself. exterior the only way she knows how: by killing him with kindness. To track her progress, Julia starts a blog called The Twelve Days of Christmas. Her first attempts to humanize Cain are far from successful. Julia brings him homemade Christmas treats and the disagreeable grinch won't even accept them. Meanwhile, Julie's blog becomes an online sensation, as an astonishing number of people start following her adventures. Julia continues to find ways to express kindness and, little by little, chips away at Cain's gruff façade to reveal the caring man underneath. Unbelievably, Julia feels herself falling for Cain--and she suspects that he may be falling for her as well. But as the popularity of her blog continues to grow, Julia must decide if telling Cain the truth about having chronicled their relationship to the rest of the world is worth risking their chance at love.
