About the Author Barney Stinson is an awesome dude who lives in New York City and appears weekly on the hit CBS show How I Met Your Mother. Matt Kuhn is one of the coolest staff writers for How I Met Your Mother and helps write Barney's Blog on the show's website. He lives in Los Angeles, California. Everyone's life is governed by an internal code of conduct. Some call it morality. Others call it religion. But Bros in the know call this holy grail The Bro Code. Historically a spoken tradition passed from one generation to the next, the official code of conduct for Bros appears here in its published form for the first time ever. By upholding the tenets of this sacred and legendary document, any dude can learn to achieve Bro-dom.

THE BRO CODE provides men with all the rules they need to know in order to become a "bro" and behave properly among other bros. THE BRO CODE has never been published before. Few know of its existence, and the code, until now, has been verbally communicated between those in the 'bro'. Containing approximately 150 "unspoken" rules, this code of conduct ranges from the simple (bros before hos) to the complex (the hot-to-crazy ratio, complete with bar graphs and charts). With helpful sidebros THE BRO CODE will help any ordinary guy become the best bro he can be. Let ultimate bro and co-author Barney Stinson and his book, THE BRO CODE share their wisdom, lest you be caught making eye contact in a devil's three-way (two dudes, duh.) Sample Articles from THE BRO CODE: Article 1: Regardless of veracity, a Bro never admits familiarity with a Broadway show or musical. Article 53: A Bro will, whenever possible, provide his Bro with prophylactic protection.Article 57: A Bro may not speculate on the expected Bro / chick ratio of a party or venue without first disclosing the present-time observed ratio.

Quotes captures your subconscious mind, which forms 90% of your total mind. The subconscious mind is the creative mind. So, when it is frequently filled with positive commands it will bring an overall change in your overall personality.Most of the quotes will hardly take you 10-20 seconds to swallow. However the message contained in these quotes are quite heavy, which will be sufficient for months or even years.If you closely make a study of quotes, you will come to see, they were not created, rather it happened by accident.Great leaders and visionaries say things from their life experience which will be picked up by their followers and they will publicize it to the world. So it is not sold to you, rather it is passed from generation to generation, like a rare gem."Girls are like cartons of milk. Each one has a hotness expiration date and you've hit yours. I'm not saying the occasional guy won't still go to the fridge, open you up, take a sniff, shrug and take a sip anyway; but it's all downhill from here."- Barney StinsonBarney Stinson is awesome. How do we know? Because the supremely confident womanizer played by Neil Patrick Harris on How I Met Your Mother never lets anyone forget it. The show may be about the road to romantic love for main character Ted Mosby, but the most entertaining parts of any episode are the hilarious one-liners and bold proclamations made by Barney. "Okay, pep talk! You can do this, but to be more accurate, you probably can't. You're way out of practice and she's way too hot for you. So, remember, it's not about scoring. It's about believing you can do it, even though you probably can't. Go get 'em, tiger!"- Barney Stinson
