Winner of the Whitbread Prize for Best Novel of the Year: “ Gardam ’ s portrait of an insanely imaginative woman in an elusive midlife crisis is impeccably drawn ” (The Seattle Times). With prose that is vibrant and witty, *The Queen of the Tambourine* traces the emotional breakdown—and eventual restoration—of Eliza Peabody, a smart and wildly imaginative woman who has become unbearably isolated in her prosperous London neighborhood. The letters Eliza writes to her neighbor, a woman whom she hardly knows, reveal her self-propelled descent into madness. Eliza must reach the depths of her downward spiral before she can once again find health and serenity. This story of a woman ’ s confrontation with the realities of sanity will delight readers who enjoy the works of Anita Brookner, Sybille Bedford, Muriel Spark, and Sylvia Plath. “ Excellently done . . . Manic delusions have never been so persuasive . . . Very moving when it is not being exceedingly funny. ” —Anita Brookner, award-winning author of *The Debut* “ British author Gardam, who won the Whitbread Award for this jigsaw puzzle of a novel, keeps up the suspense to the end, writing like a sorceress in the meantime. ” —The Seattle Times

Eliza Peabody is one of those dangerously blameless women who believes she has God in her pocket. She is too enthusiastic; she talks too much. Her concern for the welfare of her wealthy South London neighbours extends to ingenuous well-meaning notes of unsolicited advice under the door. It is just such a one-sided correspondence that heralds Eliza's undoing. Did her letter have something to do with the woman's abrupt disappearance ? Why will no-one else speak of her? And why the watchful, pitying looks and embarrassment that now greet her?

From the award-winning author of *Old Filth*. “ [A] wonderfully old-fashioned novel . . . This post-Victorian charmer is an engrossing delight ” (People). In 1904, six-year-old Polly Flint is

sent by her sea captain father to live with her aunts in a house by the sea on England 's northeast coast. Orphaned shortly thereafter, Polly will spend the next eighty years stranded in this quiet corner of the world as the twentieth century rages in the background. Through it all, Polly returns again and again to the story of Robinson Crusoe, who, marooned like her, fends off the madness of isolation with imagination. In the Guardian 's series on writers and readers ' favorite comfort books, associate editor Claire Armitstead said of Crusoe 's Daughter, " This is the most bookish of books . . . Every time I return to it, I am comforted by its refusal to conform, its wonderful, boisterous bolshiness, and the intelligence with which it demonstrates that we are what we read. " " Witty, subversive, moving. " —The Times (London) " [A] richly textured novel . . . much occurs on the emotional landscape. We know Polly intimately, and she haunts our imaginations as surely as Crusoe haunts hers . . . a thought-provoking book. 'It's a cliché to compare novelists to Jane Austen, but in the case of Jane Gardam it happens to be true. Her diamond-like prose, her understanding of the human heart, her formal inventiveness and her sense of what it is to be alive - young, old, lonely, in love - never fades' Amanda Craig 'Her work, like Sylvia Townsend Warner's, has that appealing combination of elegance, erudition and flinty wit' Patrick Gale Filth (Failed In London, Try Hong Kong) is a successful lawyer when he marries Elisabeth in Hong Kong soon after the War. Reserved, immaculate and courteous, Filth finds it hard to demonstrate his emotions. But Elisabeth is different - a free spirit. She was brought up in the Japanese Internment Camps, which killed

both her parents but left her with a lust for survival and an affinity with the Far East. No wonder she is attracted to Filth's hated rival at the Bar - the brash, forceful Veneering. Veneering has a Chinese wife and an adored son - and no difficulty whatsoever in demonstrating his emotions . . . How Elisabeth turns into Betty and whether she remains loyal to stolid Filth or is swept up by caddish Veneering, makes for a page-turning plot in a perfect novel which is full of surprises and revelations, as well as the humour and eccentricities for which Jane Gardam's writing is famous.

During one glorious summer between the wars, the realities of life and the sexual ritual dance of the adult world creep into the life of young Margaret Marsh. Her father, preaching the doctrine of the unsavoury Primal Saints; her mother, bitterly nostalgic for what might have been; Charles and Binkie, anchored in the past and a game of words; dying Mrs Frayling and Lydia the maid, given to the vulgar enjoyment of life; all contribute to Margaret's shattering moment of truth. And when the storm breaks, it is not only God who is on the rocks as the summer hurtles towards drama, tragedy, and a touch of farce.

When sweet, healthy hearty Holly Fox dies suddenly in childbirth, the Surrey village whose pearl she was reverberates with shock. She leaves behind her a helpless, silent husband, and a tiny daughter, Faith. Everyone assumes Holly's loving and capable mother Thomasina will look after Faith, but when she unaccountably deserts her newborn grandchild, the baby must be packed off to her father's peculiar family in the North - 'the very strangest people you ever saw my dear'. With wisdom, generosity, and understanding, Jane Gardam takes as

her subject the English heart in all its eccentric variety. FAITH FOX sheds a clear, true light on the pain of bereavement whilst always offering the joyous possibility of a new beginning.

A loosely connected sequence of stories, offering vignettes of human foibles from the holiday island of Jamaica. Mrs Filling sees something nasty in the midday sun; an English lawyer dallies while his wife goes mad in England; sexuality flares and everywhere farce and racial tension lurk.

Molly Fielding's mother had been a terrible woman...' A terrible woman indeed. One need only to look at the old sepia photograph to see a vision of nastiness. The look of cunning, the self-satisfied smile, the aura of hauteur as she watches the little Italian photographer go about his business. They say the camera never lies, but maybe this one did... 'Going into the Dark House', the title story of Jane Gardam's passionate new collection, brilliantly captures the subtly subversive qualities of her art. Quietly mesmerizing and quite beautifully written, these ten stories are a delight.

The barren, beautiful Cumbrian fells provide the bewitching setting for the adventures of Bell and Harry, two children who find enchanting wonder at every turn, as they explore THE HOLLOW LAND. Everyday challenges give a daring edge to this rural work and play. There are ancient mysteries to explore and uncover, like the case of the Egg Witch, and everyone is curious about the Household Name, a wildly famous Londoner moving in to the jewel of the territory, Light Trees Farm. With painterly ease, Jane Gardam 's stories fly with a marvelous
