As Aiden Falconer and FBI Agent Harris are closing in on the people who kidnapped Meg, Meg, unaware of the efforts to rescue her, tries to escape on her own and is never where she is suppose to be.

The startling conclusion to Gordon Korman's adventure trilogy. Aiden Falconer and FBI Agent Harris are closing in the people who kidnapped Aiden ' s sister, Meg. There ' s just one hitch: Meg is trying to escape from them on her own, and is never where she ' s supposed to be. As tension mounts and the net tightens, only one thing is clear: The kidnapers aren ' t going down without a fight. Before, it was Meg who was in trouble. Now both Meg and Aiden are in grave danger.

Despite the efforts of her brother, the FBI, and her parents, Meg Falconer is still missing and even Meg's kidnapers cannot find her since she always seems to give them the slip.

Gordon Korman offers another edge-of-your-seat action/adventure in a return to the trilogy format that sold more than 1 million copies of Island, Everest, and Dive. It's every brother's worst fear: As Aiden and his sister Meg are walking home from school one day, a van pulls over and Meg is kidnapped. There's no way for Aiden to stop it from happening. He's the only witness to his sister's disappearance. Why has Meg been kidnapped? Is it for ransom? As a vendetta against Meg and Aiden's parents? Or is there an even bigger conspiracy at work? While Meg fends off her kidnapers and plans an escape, Aiden must team up with the FBI to try to find her--tracking down clues only a brother could recognize.

The next thrilling installment in Gordon Korman's nonstop action-adventure trilogy!Where is Meg Falconer?Everybody wants to know. Her brother Aiden, who saw her kidnapped and is now trying to track her down, wants to know. The FBI, led by the very serious Agent Harris, wants to know. Her parents, who fear their pasts have something to do with why Meg was taken, want to know. Even Meg's kidnapers want to know. Because even though they caught her once, that doesn't mean they can keep a hold of her. . . .

In 1904, New York nuns brought forty Irish orphans to a remote Arizona mining camp, to be placed with Catholic families. The Catholic families were Mexican, as was the majority of the population. Soon the town's Anglos, furious at this "interracial" transgression, formed a vigilante squad that kidnapped the children and nearly lynched the nuns and the local priest. The Catholic Church sued to get its wards back, but all the courts, including the U.S. Supreme Court, ruled in favor of the vigilantes. The Great Arizona Orphan Abduction tells this disturbing and dramatic tale to illuminate the creation of racial boundaries along the Mexican border. Clifton/Morenci, Arizona, was a "wild West" boomtown, where the mines and smelters pulled in thousands of Mexican immigrant workers. Racial walls hardened as the mines became big business and whiteness became a marker of superiority. These already volatile race and class relations produced passions that erupted in the "orphan incident." To the Anglos of Clifton/Morenci, placing a white child with a Mexican

Online Library The Rescue Kidnapped 3 Gordon Korman

family was tantamount to child abuse, and they saw their kidnapping as a rescue. Women initiated both sides of this confrontation. Mexican women agreed to take in these orphans, both serving their church and asserting a maternal prerogative; Anglo women believed they had to "save" the orphans, and they organized a vigilante squad to do it. In retelling this nearly forgotten piece of American history, Linda Gordon brilliantly recreates and dissects the tangled intersection of family and racial values, in a gripping story that resonates with today's conflicts over the "best interests of the child."

Vince Luca is just like any other high school guy. His best friend, Alex, is trying to score vicariously through him; his brother is a giant pain; and his father keeps bugging him to get motivated. There is just one thing that really sets him apart from other kids—his father happens to be the head of a powerful crime organization. Needless to say, while Vince's family's connections can be handy for certain things (like when teachers are afraid to give him a bad grade), they can put a serious crimp in his dating life. How is he supposed to explain to a girl what his father does for a living? But when Vince meets a girl who finally seems to be worth the trouble, her family turns out to be the biggest problem of all. Because her father is an FBI agent—the one who wants to put his father away for good.

Follows a group of six kids stranded on a deserted island as they embark on a quest for survival that tests their limits.

An action-packed survival suspense from bestselling and award-winning author Gordon Korman. Six kids. One shipwreck. One desert island. They didn't want to be on the boat in the first place. They were sent there as punishment, or as a character-building experience. Now the adults are gone, and the quest for survival has begun.

From international bestseller Stephen King, a classic story that engages our emotions on the most primal level, a fairy tale grimmer than Grimm but aglow with a girl's indomitable spirit. What if the woods were full of them? And of course they were, the woods were full of everything you didn't like, everything you were afraid of and instinctively loathed, everything that tried to overwhelm you with nasty, no-brain panic. The brochure promised a "moderate-to-difficult" six-mile hike on the Maine-New Hampshire branch of the Appalachian Trail, where nine-year-old Trisha McFarland was to spend Saturday with her older brother Pete and her recently divorced mother. When she wanders off to escape their constant bickering, then tries to catch up by attempting a shortcut through the woods, Trisha strays deeper into a wilderness full of peril and terror. Especially when night falls. Trisha has only her wits for navigation, only her ingenuity as a defense against the elements, only her courage and faith to withstand her mounting fear. For solace she tunes her Walkman to broadcasts of Boston Red Sox games and the gritty performances of her hero, number thirty-six, relief pitcher Tom Gordon. And when her radio's reception begins to fade, Trisha imagines that Tom Gordon is with her—her key to surviving an enemy known only by the slaughtered animals and mangled trees in its wake.
