Did you know there are five rules for parenting that are practical and easy to implement, and if you apply them consistently, you're able to not only correct the negative behavior that your child might be exhibiting but you can even prevent it from occurring in the first place? As a matter of fact, these rules are so important that almost 100 percent of the time any difficulty you might be experiencing in your parenting can be traced back to at least one or more of these rules being broken. This is why they're called the Golden Rules. Born from a simple prayer, Michele

Parenting teens is one of the most challenging seasons of parenting, isn't it?

While this can be a difficult time of transition for parents and teens, there is hope. You can parent well and build a stronger relationship even through the teen years. After 30 years of parenting five children and 20 years of working with teens, Connie Albers has witnessed the negative impact of well-intentioned but misguided parenting styles, all focused on managing teens rather than guiding them. But through learning to

focus on the hearts of your teens, you can avoid those pitfalls and build relationships that last beyond the transition years as you intentionally learn about, connect with, and listen to your teens. In a world filled with distractions and devices, it is possible to guide their hearts and remain the primary influence in their lives. In Parenting beyond the Rules, you will discover how to raise a teen according to his or her strengths, talents, and personality type, as these things equip teens to manage life. Rules! transports happy parents and children into the world of parents' rules. This book is written for parents who understand the importance of setting rules at home and who are looking for an imaginative, enjoyable way to explain this topic to their child. Readers take a journey with a boy as he explores his feelings about his parents' rules. Along the way, he imagines life without those horrible rules. Although he is momentarily caught up in the euphoria and amusement of the possibilities, he soon realizes that a house without rules might not be as fantastic as he imagined.
