Nobody is safe in the secret hour. Strange things happen at midnight in the town of Bixby, Oklahoma. Time freezes. Nobody moves. For one secret hour each night, the town belongs to the dark creatures that haunt the shadows. Only a small group of people know about the secret hour -- only they are free to move about the midnight time. These people call themselves Midnighters. Each one has a different power that is strongest at midnight: Seer, Mindcaster, Acrobat, Polymath. For years the Midnighters and the dark creatures have shared the secret hour, uneasily avoiding one another. All that changes when the new girl with an unmistakable midnight aura appears at Bixby High School. Jessica Day is not an outsider like the other Midnighters. She acts perfectly normal in every way. But it soon becomes clear that the dark creatures sense a hidden power in Jessica ... and they're determined to stop her before she can use it. A story of courage, shadowy perils, and unexpected destiny, the secret hour is the first volume of the mesmerizing Midnighters trilogy by acclaimed author Scott Westerfeld.

Now in paperback--the first volume in a mesmerizing new trilogy which introduces a group of teens, who call themselves Midnighters, living in a world that is frozen in time and inhabited by dark creatures that lurk in the shadows.

Upon moving to Bixby, Oklahoma, fifteen-year-old Jessica Day learns that she is one of a group of people who have special abilities that help them fight ancient creatures living in an hour hidden at midnight, creatures that seem determined to destroy Jess.

The Midnighters are unprepared for a new threat that stalks them in the daylight. This time, Jessica Day is not the only Midnighter in danger in this second volume of Westerfeld's mesmerizing trilogy.

The secret hour is beginning to crumble and the darklings are preparing to feed for the first time in centuries. The Midnighters look to Rex for a plan, but his dark side is threatening to overpower him. Melissa can taste his animal instincts leading him into taking greater and greater risks. But as Bixby faces the darklings' hunger, will it be Rex or another Midnighter who will to make the final sacrifice to save the ones they love?

Upon moving to Bixby, Oklahoma, fifteen-year-old Jessica Day learns that she is one of a group of people who have special abilities that help them fight ancient creatures living in an hour hidden at midnight; creatures that seem determined to destroy Jess.

A year ago, Cal Thompson was a college freshman more interested in meeting girls and partying than in attending biology class. Now, after a fateful encounter with a mysterious woman named Morgan, biology has become, literally, Cal's life. Cal was infected by a parasite that has a truly horrifying effect on its host. Cal himself is a carrier, unchanged by the parasite, but he's infected the girlfriends he's had since Morgan. All three have turned into the ravening ghouls Cal calls Peeps. The rest of us know them as vampires. It's Cal's job to hunt them down before they can create more of their kind. . . . Bursting with the sharp intelligence and sly humor that are fast becoming his trademark, Scott Westerfeld's novel is an utterly original take on an archetype of horror.

Ever wonder who was the first kid to keep a wallet on a big chunky chain, or wear way-too-big pants on purpose? What about the mythical first guy who wore his baseball cap backwards? These are the Innovators, the people on the very cusp of cool. Seventeen-year-old Hunter Braque's job is finding them for the retail market. But when a big-money client disappears, Hunter must use all his cool-hunting talents to find her. Along the way he's drawn into a web of brand-name intrigue- a missing cargo of the coolest shoes he's ever seen, ads for products that don't exist, and a shadowy group dedicated to the downfall of consumerism as we know it.

From the acclaimed author of Fine Prey, Polymorph, and Evolution's Darling (Philip K. Dick Award special citation and a New York Times Notable Book) comes a sweeping epic, The Risen Empire, Scott Westerfeld's dazzling hardcover debut. The undead Emperor has ruled his mighty interstellar empire of eighty human worlds for sixteen hundred years. Because he can grant a form of eternal life, creating an elite known as the Risen, his power has been absolute. He and his sister, the Child Empress, who is eternally a little girl, are worshiped as living gods. No one can touch them. Not until the Rix, machine-augmented humans who worship very different gods; AI compound minds of planetary extent. The Rix are cool, relentless fanatics, and their only goal is to propagate such AIs throughout the galaxy. They seek to end, by any means necessary, the Emperor's prolonged tyranny of one and supplant it with an eternal cybernetic dynasty of their own. They begin by taking the Child Empress hostage. Captain Laurent Zai of the Imperial Frigate Lynx is tasked with her rescue. Separated by light-years, bound by an unlikely love, Zai and pacifist senator Nara Oxham must each in their own way, face the challenge of the Rix, and they each will hold the fate of the empire in their hands. The Risen Empire is the first great space opera of the twenty-first century. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The third and final book in New York Times bestselling author Scott Westerfeld's Midnighters series. The five teenage Midnighters of Bixby, Oklahoma, thought they understood the secret midnight hour—until one morning when time freezes in the middle of the day. As they scramble for answers, the Midnighters discover that the walls between the secret hour and real time are crumbling. Soon the dark creatures will break through to feed at last . . . unless the Midnighters can find a way to stop them. Blue Noon is the third and final book in the Midnighters trilogy, from the New York Times bestselling author of the Ugliers series.
