The Servant Leader: How to Build a Creative Team, Develop...

Robert Greenleaf published his essay "The Servant as Leader" in 1970, effectively coining the term "servant leader.". The essay details how there's more to being a leader than decision-making skills—the people you lead have to trust you and believe you have their best interests at heart. The servant leadership theory puts an emphasis on facilitating the growth of people around you and serving the needs of others.

Servant Leadership Definition

Servant leadership is a method of development for leaders. Servant leadership stresses the importance of the role a leader plays as the steward of the resources of the group, and teaches leaders to serve others while still achieving the goals set forth by the business. The servant leadership concept has been around for a long time.

The Ten Keys of Servant Leadership—Behind The Mixer

The concept of servant leadership goes back millennia, but the term itself was first used by Robert Greenleaf in his 1970 essay, "The Servant as Leader." This leadership philosophy has skyrocketed in popularity since then, with numerous books published on the topic and increased attention being bestowed on it in the media and popular culture.
