The Social Baby: Understanding Babies' Communication from ...

Similarly, babies differ in what they find soothing and comforting. Only by being finely tuned to a baby's unique communications can an adult fully understand that baby and provide appropriate care. The Social Baby is based on evidence about the development of communication in infants collected in research institutes around the world. By using picture sequences from video footage, this book provides

Understanding Babies' Communication from Birth

An excellent resource for people caring for babies is the book *Your Social Baby: Understanding babies' communication from birth*. It focuses on very young babies, from birth on, and demonstrates clearly that even newborn babies can do much more than eat, sleep and cry. Much of the information is in the form of photographs

The Social Baby

When your newborn baby seems to do little but sleep and feed, you might be surprised to learn that they're actually starting to develop their social skills. Babies show signs that they're naturally inclined to being with and
