Helping students speak in the classroom and the boardroom, THE SPEAKER'S HANDBOOK covers the entire process of preparing, organizing, developing and delivering a speech, making it ideal both for students taking a Public Speaking course and for experienced speakers. The twelfth edition continues to offer thorough coverage of ethics, reasoning, analyzing audience and diversity. Each chapter is designed to stand alone so that speakers can refer only to the sections that meet their needs. Speeches from students and public figures--including Congressman John Lewis ' s dedication speech for the National Museum of African American History and Culture--provide relevant speech models as well as material for analysis. For Your Benefit features equip students with valuable tips and advice, while Speaker's Workshop and Putting It into Practice activities give students hands-on application. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

CENGAGE ADVANTAGE BOOKS: THE SPEAKER'S COMPACT HANDBOOK, Third Edition, is a concise reference for the introductory public speaking course. An excellent value and useful to students in any major, this brief handbook features examples, photographs, activities, and other learning tools students can use on their journey to becoming effective public speakers. The spiral-bound format and flexible standalone chapters allow students to access the topics they need to create great speeches easily, while Key Points and Checklists help them stay on track. Online interactive tools like Speech Builder Express 3.0 and InfoTrac College Edition help students further develop their public speaking skills for class--and well beyond. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Now in its fourth edition, this public speaking handbook is appropriate for courses in introductory public speaking or business and professional speaking or can be used as a reference tool. Based on communication theory, the authors offer concrete suggestions on how to approach public speaking as a collaborative endeavor between the speaker and the listener.

As the first of its kind for this course, THE SPEAKER'S HANDBOOK has established itself as both a reference for the individual speaker and an excellent textbook for use in the public speaking course. Now, in a new brief format, THE SPEAKER'S COMPACT HANDBOOK, provides students with the essential information they need to be an effective public speaker. This compact handbook is easy to use in its spiral bound, easily referenced format. Each of the succinct chapters can stand alone, enabling the speaker to consult only those parts of the book covering the aspects of public speaking with which they need guidance. In addition to the material within the text, students can master their public speaking skills with the assistance of InfoTrac® College Edition and SpeechBuilderExpress speech outlining program, both of which are available with every new copy of THE SPEAKER'S COMPACT HANDBOOK.

[This text is] a reference guide for the individual speaker and textbook for use in the public speaking course. [It] covers the issues one commonly confronts in preparing and delivering a speech.-Pref.
