The Theory of Communicative Action (German: Theorie des kommunikativen Handelns) is a two-volume 1981 book by the philosopher Jürgen Habermas, in which the author continues his project of finding a way to ground "the social sciences in a theory of language", which had been set out in [On the Logic of the Social Sciences](#) (1967).

The Theory of Communicative Action - Wikipedia

In the theory of communicative action, that means only spontaneous actions that are beyond the influence of steering media would have any value. For Habermas, that meant concepts of love, creativity, and charisma. Steering media can only be influential within a lifeworld if four specific things happen. The traditional forms of life must be dismantled.

Habermas Theory of Communicative Action Explained - HRF

In communicative action participants are not primarily oriented to their own individual successes; they pursue their individual goals under the condition that they can harmonize their plans of action on the basis of common situation definitions.

The Theory of Communicative Action: Lifeworld and Systems ...

The Theory of Communicative Action represents a major contribution to contemporary social theory. Not only does it provide a compelling critique of some of the main perspectives in twentieth-century philosophy and social science, but it also presents a systematic synthesis of the many themes that have preoccupied Habermas for thirty years."

paradigm shift from purposive activity to communicative action was pre pared by George Herbert Mead and Emile Durkheim. Mead (1863-1931) and Durkheim (1858-1917) belong, like Weber (1864-1920), to the generation of the founding fathers of modern sociology. Both devel oped basic concepts in which Weber's theory of rationalization may be

THE THEORY OF COMMUNICATIVE ACTION

Communicative action is the underlying theory in which communicative power and communicative reason/rationality refine themselves. Communicative power is the influence that citizens exert upon a state through rational discussions of their interests and values.

Habermas and Communicative Action: An Introduction | Jason ...

Habermas's The Theory of Communicative Action (1981) was devoted in part to developing an account of truth in terms that did not imply that there exists an "absolute" truth of the kind traditionally posited by metaphysics. Following the doctrines of pragmatism and reinterpreting Austin's earlier work...
