The Three Marriages: Reimagining Work, Self and Relationship [dispels the myth that we are predominately thinking creatures, who can, if we put our feet in all the right places, develop strategies that will make us the paragons of perfection we want to be, and instead, looks to a deeper, almost poetic perspective.]]

The Three Marriages: Reimagining Work, Self and Relationship

P 30: "Perhaps the most difficult marriage of all -- the third marriage beneath the two visible, all-too-public marriages of work and relationship -- is the internal and often secret marriage to that tricky movable frontier called ourselves: the marriage to the one who keeps changing at the center of all the outer relationships while making promises it hopes to God it can keep.

These are the three marriages, of Work, Self and Other. The First Marriage: The One We Usually Mean. Marriage is a word loaded with associations; not only the longed-for associations with the mythical horse and carriage that carries us off in perfect felicity, as Jane Austen described it, but also the whispers and echoes it finds in our mind, depending on the particular partnership our own parents made. Each of us has a profound inherited notion of marriage or partnership from the success or ...
