In *The Triple Goddess* we embark on a new journey with Keira, as she is captured by Carrick (the Harbringer of Death) and delivered into the hands of the enemy, Lucius - The Vampire King.

Keira soon finds herself becoming a pawn in a game she could never hope to win, and now the King on the board is a Vampire on a mission. With the only man able to stop him miles away from the mountain prison in which she is kept, she must now choose which path to take in order to survive. With enemies at all sides closing in quick, she must tread carefully, or she might find the man to save her isn't the White Knight she loves... but the Dark King she loathes. Time with the Vampire King is dangerous, and Keira soon learns that it is more than just the power of her mind she needs to keep locked but also the power of her heart... And Lucius might just hold the key to both.

Keira soon finds herself becoming a pawn in a game she could never hope to win and now the King on the board is a Vampire on a mission. With the only man to stop him miles away from the mountain prison in which she is kept, she must now choose which path to take in order to survive. With enemies at all sides closing in quick, she must tread carefully or she might find the only man to save her isn't the White Knight she loves but the Dark King she loathes. But time with the Vampire King is dangerous and Keira soon learns that it is more than just the power of her mind she needs to keep locked but also the power of her heart... And Lucius might just hold the key to both.

After facing her nightmares head on, Keira soon finds her troubles have only just begun, and if she thought mortals were dangerous, then being hunted by the world's most powerful beings will spin her further into a web of supernatural destruction. Keira can't help seeing the handsome man before her, she can't help the dreams that consume her and neither can she stop him from wanting her. The controlling man that follows her every move isn't the man she's dating, but the man that's hunting her. Now it's down to the only man with enough power to keep her safe, and he doesn't play well with others. Nor does he take kindly to people trying to take what belongs to him, and Keira belongs to only one man... Dominic Draven. Will the fight for their love be enough to survive the new world she is forced to live in? And more importantly, can she survive being with the King of the Afterlife?!

With Keira finding death on her door, she is suddenly plunged into a world of the unknown and has to face it alone... Or does she? Soon this new life is filled with heartache, with shadowed followers and cryptic messages that only promises to lead her deeper into the world

of the supernatural like never before. For Keira, even taking a breath without the other half of her soul is painful. So when given the choice to either accept what life the fates have decided she live, or to force that life behind her and accept the dangerous journey ahead, the answer is easy... She will fight to save the man she loves. But this fight includes Heaven and Hell in search of the truth, a truth that will either set her heart free or be destroyed on the other side. Are the fates really to be trusted?

It's been seven years. Seven long years since that cold and cruel Vampire King, Lucius, broke her heart. Her naive little heart destroyed after one painful night, when she sneaked into his Gothic nightclub, Transfusion. Seven years ago, he humiliated her, casting her aside and telling her just what he thought about her little obsession with him. Then he saved her life. Well, now he is back and this time he is out for blood, and all she can hope for is that it isn't hers that's on the menu. Because she is just your typical, ordinary, everyday girl who works and lives in London. Even if she is trying to make it on her own without the safety of her family. However, growing up knowing of the supernatural world and being human definitely has its draw backs. Especially when a certain Vampire King has her in mind for a date, and his dominant and forceful ways are sending her re-ignited obsession with him into overdrive. But he does like her... doesn't he?

The Sands of Time are filled with dangers and new enemies to face. But for Keira to stand tall in a world she does not know, she must first brave the differences in loving the man she calls Draven and the man she must now call her King. Join Keira as she is thrown into an ancient time and faces her biggest challenge yet... How to get a Demon King to fall for a human girl he is forbidden to love.

For as long as we have sought god, we have found the goddess. Ruling over the imaginations of humankind's earliest agricultural civilizations, she played a critical spiritual role as a keeper of nature's fertile powers and an assurance of the next sustaining harvest. In *The Goddess*, David Leeming and Christopher Fee take us all the way back into prehistory, tracing the goddess across vast spans of time to tell the epic story of the transformation of belief and what it says about who we are. Leeming and Fee use the goddess to gaze into the lives and souls of the people who worshipped her. They chart the development of traditional Western gender roles through an understanding of the transformation of concepts of the Goddess from her earliest roots in India and Iran to her more familiar faces in Ireland and Iceland. They examine the subordination of the goddess to the god as human civilizations became mobile and began to look upon masculine deities for assurances of survival in movement and battle. And they show how, despite this history, the goddess has remained alive in our spiritual imaginations, in figures such as the Christian Virgin Mother and, in contemporary times, the new-age resurrection of

## Read Online The Triple Goddess Afterlife Saga Book 3

figures such as Gaia. The Goddess explores this central aspect of ancient spiritual thought as a window into human history and the deepest roots of our beliefs.

Afterlife... just some gothic nightclub where gossip is fuelled by the presence of a rich and unearthly hands-on family or, Afterlife... the strange place where time seems to stand still, and guests feel the presence of something more powerful held within the confines of the VIP. Keira is new to this small, cold town, and is running from a past that seems to feast on her darkest memories. She finds living with her sister away from English soil to be just the ticket to the new life she is desperately trying to find. So, when the offer of a job at the infamous gothic nightclub Afterlife comes along, she thinks that Lady Luck has finally found her. That is until its seductively dark and forbidding owner, Dominic Draven, sets eyes on her. All at once she is captivated and plunged into a world she never knew existed but the deeper her obsession with Draven becomes, the harder it is to decide... should she stay and continue to work within the shadows of the supernatural? Or should she run from a madness she thinks may consume her?

As Keira still finds Persian sands beneath her feet, she is yet to discover the true meaning of what it is to be The Chosen One to the King of Kings. For now that Arsaces has her, he simply plans on keeping her... No matter what the cost. Even if that means fighting the prophecy and stealing her from the only world she has ever known... A world that is about to end.

Warning this is a two-part book with the second part coming out the end of April 2018. This is book 11 in the Afterlife saga. The end of days might be over for our newlyweds, but the dark nights are closing in and what lies waiting in the shadows is what even nightmares are afraid of. Because the King of Hell is back and now he has a new bride to keep hidden from the world below... a world that shows no mercy, right along with one of their rulers. Could it really be that Draven is keeping secrets from Keira and if so, how is she ever to reach him when he is hiding in plain sight? A Demon King has finally returned home, and this time... There isn't an Angel in sight.
